IF YOU ARE INJURED

Report minor injuries to your employer whether or not you receive medical treatment. After you report the injury, your employer has 6 days to notify their insurer. You must submit a written First Report of Injury within 12 months from the date of the accident. You can submit this form to your employer, insurer, or the Department of Labor and Industry.

All employees sustaining a compensable work related injury or occupational disease, other than those who are exempted by statute (Section 39-71-401, MCA), are covered for medical and wage-loss benefits.

You have the right to choose your initial treating physician.

You may continue to receive treatment from your physician unless you receive written notice of referral to a preferred provider or a managed care organization. After providing you with a referral notice, the insurance carrier is no longer liable for treatment provided by your physician unless authorization is obtained to continue treatment.
