INTERNATIONAL STUDENT AFFILIATE RECOMMENDATION FORM

The University of Montana has set up a process by which people studying at the University in an unofficial but closely associated manner may obtain access to a variety of University resources. A Griz Card provides access to the recreation center and controlled rooms and allows the owner to use the UMoney and commuter meal plan options. A NetID provides online network access to campus wireless, Moodle, remote library resources, and resources. International Student Affiliates are associated with the University, but not currently registered for classes. **Appointment is from October 1 through September 30 unless otherwise requested.**
