The Associated Students of the University of Montana
Resolution Regarding Mandatory, Obligatory, Compulsory, Binding, Required,
Inescapable, Unavoidable, Necessary, Essential, Imperative, Vital, Crucial, Contractual,
Enforceable, Forced Drug Testing for ASUM Executives
4-20, 2019
SB64-18/19

Authored by: Tim F. Hiett, The WORST ASUM Senator;

Whereas, Consuming illegal drugs is illegal;

Whereas, Engaging in an illegal act is both morally wrong and condemned by ASUM governing documents;

Whereas, Executives should lead by example and should not engage in acts that will bring shame upon the University of Montana;

Whereas, UM cannot handle being caught with its pants down in another scandal;

Whereas, Requiring executives to take monthly drug tests will encourage them to hold themselves to higher moral standards and not engage in the consumption of illegal drugs;

Whereas, The ASUM Senate should be very wary of any current or future executives who oppose this resolution, as they are probably making that decision out of their own vested interest in this matter;

Therefore, Let It Be Resolved, That every current ASUM Executive immediately take a drug test upon the passage of this resolution;

Therefore, Let It Be Further Resolved, That a recess be held immediately following the passage of this resolution;

Therefore, Let It Be Further Resolved, That the 2018-2019 ASUM Senate requests that the 2019-2020 ASUM Senate require the newly elected executives to take monthly drug tests;

Therefore, Let It Be Further Resolved, That these drug tests be done in the bathrooms during a recess of an ASUM meeting.
