SB38 - 17/18
Authored by: Garret Morrill, ASUM Senator;

Whereas, The University of Montana as of this writing has no outdoor public bulletin boards for campus use;

Whereas, ASUM passed Resolution SB18 which affirmed the need for public bulletin boards governed by ASUM and stated:

Therefore, Let It Be Further Resolved, That ASUM shall introduce a future resolution affecting its governing documents to create a maintenance and cleanup schedule for all ASUM public bulletin boards now and in the future;

Whereas, Facilities Services requires a firm and lasting commitment from ASUM to ensure that cleanup and general maintenance will be maintained by ASUM;

Whereas, Public bulletin boards also require a set of rules governing conduct of board use in order to ensure the designated purpose of these boards is fulfilled;

Therefore, Let It Be Resolved, That Bylaws Section 30 be created to include the following:

ASUM Public Bulletin Boards

A. ASUM owns and operates Bulletin Boards around campus. These are open to the public and will be cleaned and maintained by ASUM on a weekly basis.

B. At the first of every month, posts that are not visibly dated to the new month will be removed from ASUM Public Bulletin Boards. Daily cleaning will remove postings that violate any of the Posting Conduct Rules outlined below. ASUM will also maintain the immediate area around boards for any refuse materials that are a direct result of Board use.

C. The Posting Conduct Rules are as follows:
- Postings must be firmly affixed to the board on all four corners
- Postings may not cover up or obscure other postings
- No obscene postings are allowed as defined by Title 45, Chapter 8, Section 201 of the Montana Code Annotated and by the Student Code of Conduct
- Commercial postings must be approved and stamped by ASUM in their office before posting
- No public posts may be placed in the area designated “ASUM Public Business”
- Only ASUM may take down posters, and only if they violate the other Conduct Rules.
Therefore, Let It Be Further Resolved, that this resolution be forwarded to the following:
Kevin Krebsbach, Director of Facilities Services; Rosi Keller, Vice President of Finance.
