Resolution Improving the Senate’s Lack of Philosophy
4/27/18
SB54-17/18
Authored by: Henry Curtis, ASUM Senator
Sponsored by: <name>, <title>;

Whereas, A life unexamined is considered a life unlived;

Whereas, Marx’ wisdom has long established him as one of the leading political philosophers of the modern era, as manifested in such epigrams as “Politics is the art of looking for trouble, finding it everywhere, diagnosing it incorrectly and applying the wrong remedies”;

Whereas, Lennon once called for “All the people sharing all the world,” along with similarly laudable sentiments;

Whereas, As Marx once said, “Those are my principles, and if you don’t like them…well, I have others;”

Therefore, Let It Be Resolved, That ASUM therefore must establish a guiding philosophy by which to act;

Therefore, Let It Be Further Resolved, that ASUM establish Marxist-Lennonism as its core ideology;

Therefore, Let It Be Further Resolved, that portraits of Groucho Marx and John Lennon be installed in a place of honor in the ASUM office posthaste;
