Authored by: Henry Curtis, ASUM Senator;
Sponsored by: <name>, <title>;

Whereas, Currently the Associated Students of the University of Montana (ASUM) have no set system for publicizing committee’s plans for the coming year;

Whereas, ASUM has in the past received criticism for a perceived lack of transparency in its committees;

Whereas, The twentieth day of April is universally considered among college students as a holiday devoted to celebrating the environment and all that is green;

Whereas, ASUM has long endorsed community gardening and engagement in sustainable practices;

Therefore, Let It Be Resolved, That ASUM recommends that the incoming Senate instruct ASUM Sustainability Coordinators present and future to issue annual press releases on April 20, announcing ASUM Sustainability’s plans for the coming years;

Therefore, Let It Be Further Resolved, That ASUM revitalizes the Community Garden Committee with the intent of further greening the campus community and the Missoula community as a whole;

Therefore, Let It Be Further Resolved, That Senator Carpenter chair this committee and seek a card allowing the committee to continue greening the community;

Therefore, Let It Be Further Resolved, That this resolution be forwarded to the incoming ASUM executives and Kat Olson, ASUM Sustainability Coordinator.
