IV. Important Information

A. Transfer of Credits

The institution is accredited by the Northwest Commission on Colleges and Universities (NWCCU). Most regionally accredited institutions will accept credits from the other accredited colleges and universities. The acceptance of transfer credit is always determined by the receiving institution. Students should contact the institution they plan on attending if they have specific questions about transferability. The Montana University System (MUS) has a common course numbering system that enables students to transfer courses deemed equivalent to any Montana institution offering that course. For information on courses offered throughout the MUS, please visit the website at mus.edu/Qtools/CCN/ccn_default.asp.

B. Release of Student Information to Parents

A student’s higher education record is protected under Montana Law and the Family Educational Rights and Privacy Act of 1974. The release of student information to a student’s parents, by either the high school or the college, will be governed by the State and Federal laws governing those separate institutions. As a result of such laws, the college will not release academic information to a student’s parents without the student’s express written consent.

C. Adding and Dropping Courses

Once you have registered for any course(s), and then find you must adjust your schedule by adding or dropping a course, you need to complete an add/drop form (drop, add & refund deadlines will apply). If you need to drop ALL your courses (even if it is only one course) you may need to complete additional forms to finalize total withdrawal from the institution.

- If you are registered in a dual credit course, these forms must be signed by a high school counselor.
- If you are under the age of 18, a home school student, and registered in a college-credit-only course, these forms must be signed by a parent/guardian.

IMPORTANT! If you are enrolled in a dual credit course at the high school and drop the high school course, you must also drop the college course.

Add, drop, and withdrawal forms are located at www.umt.edu/bitterroot-college/admreg/college/reg.php.
D. Access to Grades

Grades will be available through the college’s online student information system using your Student ID number. You can access the system by visiting CyberBear via the UM Login portal (from www.umt.edu/bc). For dual credit courses, grades are also available through the high school.

E. Transcripts

You may access unofficial transcripts through the online student information system using your Student ID number. You can access the system by visiting CyberBear via the UM Login portal (from www.umt.edu/bc). You may also request official transcripts by contacting the campus at 406.375-0100. Transcript fees may apply.

F. Payment of Dual Enrollment Costs

Payment of all dual enrollment costs (tuition, mandatory fees, course fees) is required. Tuition is assessed at 50% of the Board of Regents approved rate and is usually paid at the start of the term of enrollment. In addition, students are exempt from all mandatory fees but may be assessed approved course fees. Dual enrollment students are responsible for complying with applicable campus payment policies, procedures and methods.

G. Disabilities

If you have a disability for which accommodations may be necessary, please submit a confidential written request for disability accommodations to Kathleen O'Leary, BC Advisor (call 406.375-0100). Written documentation of disability is required.
