Program Information: Certified Phlebotomy Technician (CPT)

Program Overview:
The Phlebotomy Technician Program prepares professionals to collect blood specimens from Clients for the purpose of laboratory analysis. Students will become familiar with all aspects Related to blood collection and develop comprehensive skills to perform venipunctures completely and safely. Classroom and lab work includes terminology, anatomy and physiology, blood collection procedures, specimen hands-on practice, and training in skills and techniques to perform puncture methods. Program prepares students to take the Certified Phlebotomy Technician (CPT) Exam.
