Re: 2017 Fiscal Year-End Purchasing Information

Fiscal year (FY)-end is rapidly approaching. Your cooperation and timely processing of year-end purchases is important. Please distribute the information below to all areas in your department.

Here is how you can help us successfully close out FY17:

- Please complete FY17 requisitions that do not require going out for bid of supplies, equipment, or services WELL BEFORE year end (June 1, 2017). Reqns. after June 1st will be FY18. Allow sufficient lead-time to process requisitions.

- To encumber FY18 budgets involving renewals start the process at least 30 days prior to current contract expiration.

- Ensure you indicate on the applicable form within GrizMart whether the expenditure of funds is for FY17 or next FY.

- **NOTE:** You cannot split a purchase between FYs unless it’s a legitimate prepaid expense.

- For all GrizMart requisitions involving next FY please ensure you change the transaction date (formerly AcctDate) field to reflect a date of 7/1/2017 or later. To understand how to do this in GrizMart, please visit frequently asked question (FAQ) #21 on our GrizMart Customer Support Portal.

**No later than April 2nd, 2017**

- Submit requisitions exceeding $500K.

**No later than May 1st, 2017**

Requests for bids:

- Submit reqs. less than $500K that that are **not** term contract items or **not** from one of our GM participating vendors (competitive bid, limited solicitation, sole source, contract service, software, maintenance of equipment, etc.)

**No later than May 15th, 2017**

Photocopiers

- Complete the Photocopier Maintenance Request Form in GrizMart to renew or cancel maintenance on any owned or leased photocopiers (required annually).

**No later than June 1st, 2017**

- Submit reqs less than $500K for term contract items or from one of our GM participating vendors. No bid requests.

**No later than June 15th, 2017**

We appreciate your support and look forward to a smooth and successful 2017 FYE. If you need assistance or clarification on any of the above please contact Procurement Services.

Please understand that if you are unable to meet the deadlines noted above, we cannot guarantee that we will be able to process your request in this fiscal year.

Best Regards,
