Where can I find my registration bill?
UM uses your official UM email to provide you with important information, reminders and updates. Your registration bill can be accessed by logging into your CyberBear account. If you have not yet completed your enrollment you will see an alert message with the link to your registration bill. Follow the link to your registration bill and you will then be able to review your courses and charges.

➢ FALL REGISTRATION BILL AVAILABLE AT 1:00 PM ON JULY 22, 2019
➢ SPRING REGISTRATION BILL AVAILABLE AT 1:00 PM ON DECEMBER 5, 2019

I am being asked to “Complete Enrollment” and I am not sure what this means?
Completing your enrollment means that you have reviewed your registration bill for accuracy and are then being asked to “pay” your registration bill even if you have financial aid that covers your charges. You can complete your enrollment by logging into your CyberBear account, click on the link to your registration bill - CONTINUE TO REGISTRATION BILL.

• If you have an Amount Due, you will need to pay that amount by clicking on “Complete Enrollment” and following the payment link by the published payment due date.
• If you have a zero or credit balance (refund due to you), you still need to click on “Complete Enrollment” by the published payment due date.

An $80.00 Late Fee will be assessed to all students who have not completed their enrollment by the deadline.

What are my options if I am expecting a refund?
You can receive your refund by Direct Deposit (ACH) to your bank account in three easy steps:

1. Log in to your CyberBear account and select STUDENT SERVICES.
2. Under your picture there is a list of Additional Links and you will select Student Refunds.
3. You will then click on “Select Option” and follow the instructions. You will need your bank name, bank routing number and checking/savings account number (debit card number will not work).

If you do not select an option, a check will be mailed to your UM mailing address. Direct Deposit takes 3-5 business days. A check takes 10-14 business days and requires you to keep your mailing address updated to ensure receipt of your check. Refund files are processed each Tuesday and Friday, except during weeks that have a holiday. Holidays may require the process to be modified.
