The University Of Montana

Office for Student Success

The Office for Student Success embodies The University's commitment to students' academic success. Its programs, offices, and resources form a comprehensive academic support network that assists students as they find their ideal path and pursue a degree.

The Office for Student Success programs can guide a student through his or her academic transition to college, helping to clarify career goals and explore majors, and provide tutoring so students can meet the challenges of college study.

Undergraduate Advising Center

The Undergraduate Advising Center provides advising for Undeclared students, as well as freshmen Business, Pre-Psychology, Pre-Communication Studies and Pre-Nursing students. Professional and peer assistants provide important information and counseling about scheduling classes, selecting a major, taking advantage of opportunities on and off campus, dealing with academic problems, and finding essential academic and social support services. In addition, the programs listed below are offered, primarily for entering students.

Four Bear Four-Year Graduation Plan

Four Bear (the 4-year graduation plan) is designed for students committed to eight consecutive semesters of full-time study at The University of Montana. It gives the student registration priority beginning his or her first registration period after signing the Four Bear contract and pays tuition and mandatory fees past the planned graduation time provided the student has met all conditions. If a student is not meeting the conditions as set forth in the Four Bear contract, he or she is dropped from the program, but no other penalties are incurred. [Pharmacy is an exclusion to the four-year plan; students are given five or six years to complete this degree.] Most department sections in the catalog include a suggested four-year course of study to complete a major. Four-Bear students must meet with their advisors in order to customize a plan to fit individual circumstances and academic goals. Additional information is available from the Four-Bear Coordinator, Lommasson 269.
