To: Fire Training Representatives and Students

Subject: RT-130 Annual Fire Safety Refresher & IS-700 Introduction to NIMS Course Completions

The following people, attended and successfully completed RT-130 Annual Fire Safety Refresher (formerly called Standards for Survival) sponsored by the Center for Continuing Education at the University of Montana. Most students also completed IS-700 Introduction to the National Incident Management System (NIMS), and those students are notated with the # symbol. The courses were held **June 6, 2007**. The students reviewed entrapment avoidance among other topics and practiced fire shelter deployments using practice fire shelters. The Lead Instructor was Jim Steele, retiree from the Northern Rockies Training Center, and currently the Chief of the Arlee Fire District.

All students and instructors that have an Incident Qualifications and Certification account (IQCS) have had their records updated by our staff. This was IQCS RT-130 session #5883 and IS-700 session #204.

* indicates records were not found in the IQCS.

indicates student completed the IS-700 course in addition to RT-130.

Questions regarding this course should be directed to me at the Center for Continuing Education, The University of Montana, Missoula, Montana, 59812, (406) 243-4638, kortman@fs.fed.us.
