**Date:** June 4, 2004

**Subject: Standards for Survival First Timers Course Completion revised**

The following people attended and successfully completed an 8-hour fire safety course on **Standards for Survival (S-132), I-100 Introduction to the Incident Command System,** and **S-110 Wildland Fire Suppression Orientation.** These courses were sponsored by the Center for Continuing Education, University of Montana, and they were held **May 6, 2004.** The students covered the 10 Standard Fire Fighting Orders; the 18 Situations That Shout Watch Out; Lookouts, Communications, Escape Routes & Safety Zones; and the students practiced fire shelter deployments using both the old style and new generation practice fire shelters. The instructors were Chuck Whitlock, retired, of the Forest Service and Kitty Ortman, Lolo National Forest, Course Coordinator.
