Subject: Standards for Survival Course Completion

The following people attended and successfully completed an 8-hour fire safety course on **Standards for Survival** sponsored by the Center for Continuing Education, University of Montana. We also covered **I-100 Introduction to the Incident Command System**, and **S-110 Wildland Fire Suppression Orientation**. This course was held June 3, 2004. The students covered the 10 Standard Fire Fighting Orders; the 18 Situations That Shout Watch Out; Lookouts, Communications, Escape Routes & Safety Zones; Basic Fire Behavior; and the students practiced fire shelter deployments using both the old style and new generation practice fire shelters. The instructors were Bob Rich from the University of Montana and Risa Lange-Navarro from the Northern Rockies Training Center.
