Each year Campus Recreation gives away hundreds of pieces of swag to students to welcome them to the University of Montana, to Campus Recreation and to our numerous community events.

Committed to making more sustainable choices, our goal is to partner with Montana businesses to offer local products. By co-branding sample-sized items – placing them inside our Campus Rec sport cinch bags or with a Campus Rec sticker, for example – we can support brand recognition for local products while also promoting health, fitness and recreation to our students.

Pre-packaged food or beverages, coupons and hygiene products are a few examples of the kind of donated or discounted swag we think students will use and love.
Associate your brand with a Campus Rec event or program area. Price is negotiable depending on program and extent of brand placement. Here are a just few ideas of events that need sponsorship:

**FRESHMAN WILDERNESS EXPERIENCE**
More than 160+ student mentors and incoming freshman embark on this adventure annually.

**GRIZ GLOW 5K FUN RUN**
Proceeds support Youth Camps scholarships and programming.

**GRIZ GLOW YOGA**
This is an all-levels black light yoga class offered each semester.

**FREE WEEK**
Each semester we offer a week of free group fitness classes, personal training consultations, recreation events and activities, and more.

**3-ON-3 BASKETBALL TOURNAMENT**
This fun community event supports Intramural Sports and Global Grizzlies, an ASUM student organization.
