Statement of proposal:

Please state your proposal succinctly, informing the committee of the purpose of the proposed visit and demonstrating the scholarly or research excellence of the visitor. Use 2 pages (maximum), single-spaced for your statement.

Budget:

Overall proposed budget may not exceed \$4,000. Please prepare your budget detailing expenses, proposed NSF EPSCoR contribution and match from participating departments or third party sources. NSF EPSCoR may not be the sole source of support.

Include a time schedule with the proposed budget. (1 page)

Attach hiring paperwork:

Include the completed UM Request for Personnel Transaction Form (RPT)

Reporting:

Recipients of NSF EPSCoR funds must complete a final report outlining the successes of the scholar's visit. The report should include 3 to 5 photographs taken during his/her stay.

Non-compliance, failure to respond or providing insufficient or false responses within 30 days of project completion, may result in suspension of all future UM NSF EPSCoR funding for the awardee and host department or center.
