Karen Hill			
Please describe your experience on the committee (What information would you share with a faculty member who is considering service on this committee?)			
<p>The committee has three year terms for new members. My term expires after 2007/2008 academic year. Meetings are held in Helena and usually last several hours. The committee charge has been to identify an general education core for BOR and to determine which courses on each campus fulfill the requirements. The committee will eventually meet to maintain oversight of the core and its effectiveness as well as to maintain an up to date listing of onsite and online courses from each campus.</p>
