

University Committee Year-End Communication			
Committee Name	Student Computer Fee Committee		
Academic Year	2006-2007	Number of Meetings	Approximately 10
Committee Members (available at http://www.umt.edu/committees/) ↓			
CHAIR			
	Alden Wright, Computer Science		2007
FACULTY (Two; Three-year terms)			
	Penny Jakes, College of Technology		2008
	Alden Wright, Computer Science		2007
STAFF (One; Three-year term)			
	Tim Edwards, School of Pharmacy and Allied Health Sciences		2007
STUDENT (Four; One-year terms, renewable up to three years)			
	Ryan Nalty, ASUM Senator		
	Cedric Jacobsen, ASUM Vice President's Office		
	James Dolph		
	Ryan Sheldon		
ADDITIONAL REPRESENTATIVES			
Provost and Vice President for Academic Affairs Representative (Three-year term)			
	Bonnie Allen, Dean, Mansfield Library		2008
<i>Ex-Officio</i> (Non-voting)			
	James Marks, Director, Disability Services for Students		
	<i>Information Technology Office (staff support as needed)</i>		
	Valerie Crepeau, Administrative Manager, Information Technology Office		
Please describe your experience on the committee (What information would you share with a faculty member who is considering service on this committee?)			
The committee got along well. Almost all decisions were made by consensus.			
Topics Addressed (agenda items)↓			
Every year the committee decides on the allocation of student computer fee funds. Most of this is done by formulas established in past years, but there are always a number of special requests.			

Actions Taken (resolutions, proposals, recommendations)↓

We approved and denied a number of special requests for funding. For example, we approved a request to set up a new method for students to pay for printing in labs that uses their griz card. We approved ongoing funds to pay for a student license for MATLAB.

Unresolved Issues ↓

A planning process for the long term future of student labs needs to happen. Something like this may happen this summer outside of the official framework of the committee.
