Global Leadership Initiative
The Global Century

Strategic Issues:

1. Partnering for Student Success

2. Education for the Global Century

3. Dynamic Learning Environment
The challenges that our students will confront at graduation are those that are increasingly global concerns, such as:

- Economic viability
- Population and environmental change
- Effects of technological advances
- Ethical dilemmas
- Generation and distribution of wealth and resources
The Global Century

Our global society needs leaders and entrepreneurs to shape progress toward:

- Innovation
- New technologies
- Civic and cultural engagement
