

Attention Seniors Graduating Spring 2010

Graduation applications are due at the Registrar's office on October 6.

Six steps to graduating.

1. Sit through a bunch classes, go on field trips, study, take tests, etc.

2. Fill out a Geosciences requirements form. Include classes you have taken, and classes you intend to take. Download the form at: <http://umt.edu/geosciences/Advising/advising.html>

FYI - This website has a list of all Geosciences courses being offered in Spring 2010.

3. Fill out the UM application for graduation. Download the form at: http://www.umt.edu/registrar/grad_info.htm

4. Bring the forms to any faculty advisor for signature.

5. Bring the forms to the Geosciences office by October 1.

A. The Geosciences form will go in your department file.

B. Bill Woessner, the department chair, will sign the UM form.

6. Bring the signed UM form to the Registrar's office by October 6.
