14th Annual Graduate Student Research Conference

Share your knowledge!

Abstracts due February 27

To submit an abstract, visit http://scholarworks.umt.edu/gsrc/2015/

Graduate students may submit abstracts for either oral or poster presentations. Graduate student presentations may include a portion of a thesis or dissertation or a successful seminar or course paper. We welcome the presentation of talks or posters previously presented elsewhere.

Abstracts should:
- Be accessible to a non-specialist
- Be 750 words or less
- Present the project’s rationale, set the stage, or frame the context
- Describe the methods, approach, or framework
- Articulate the project’s findings and how they advance knowledge, represent an innovation or fresh perspective

Saturday
April 18, 2015

Graduate students (Master’s & PhD) are invited to present

The conference is interdisciplinary — we encourage presentation from all disciplines
