

All incoming freshmen are required to live in the Residence Halls for their first academic year at the University of Montana. Freshmen requesting to be released from the Board of Regents residency policy must complete the following process for review.

Student's Information:

Last Name: _____ First Name: _____
 Student ID#: _____ Contact Phone #: _____
 Semester: _____ Have you submitted a housing application? Yes No

Residency Policy:

The State of Montana Board of Regents of Higher Education has a residency policy that requires all students with less than 30 earned college credits reside in the Residence Halls unless this requirement has been waived by the specific university. At the University of Montana, this policy applies to new students with less than 30 credit hours completed after high school graduation from another college or university, students during their first two semesters of attendance, and exceptions to this policy are determined on a case by case basis by the Director of UM Housing. Proper verification must be presented to support residency requirements releases. Please note that high school AP credits do not count towards the 30 earned college credit requirement.

Release Process:

Release from the Freshman Residency Requirement is not guaranteed for any reason and all releases are at the discretion of the Director of UM Housing. Please review this Release Request Form in its entirety for release guidelines, policy, and procedure. Requests will not be reviewed unless all necessary documentation is attached.

The student must submit the following:

- Completed Freshman Residency Release Request Form.
- A letter from student explaining why they should be released from the residency requirement.
- If under the age of 20, a letter from student's parent(s) or legal guardian(s) supporting the student's request to be released from the residency requirement must also be submitted in addition to the letter from the student.
- Any additional documentation supporting the student's request.
