Garbage Service
Garbage containers are located throughout the University Villages area and are emptied approximately four days of the week. Please put all trash and garbage inside the provided containers. Do not put hazardous waste in these containers. DO NOT place garbage on porches or balcony areas for any amount of time. This is not only unsanitary but it also attracts insects, wildlife, and children. University Villages’ policy states that if a tenant leaves their garbage outside their apartment and our staff has to remove it, the tenant will be billed for the disposal and Student Conduct Code charges will be filed.

DO:
· Place all trash/garbage in the provided trash bin
· Use another trash bin if the container nearest your unit is full
· Put raw garbage in closed bags before placing it in the trash bin
· Have an adult family member accompany all children to dispose of trash/garbage
· Clean up any trash/garbage that spills
· Close the lids to the containers after dumping trash to avoid wildlife obtaining access
· Place large cardboard boxes alongside the trash bin

DON’T:
· Place garbage on porches or balcony areas (may result in student conduct code charges and a fee charged for removal)
· Leave your trash/garbage on the ground next to the container
· Put large cardboard boxes in the garbage containers

Laundry
Craighead/Sisson Apartments
Washer and dryer hook-up’s are in each unit.

Elliot Village/K. Ross Toole Village

POLICIES & REGULATIONS

In general, students are expected to behave in a considerate and responsible manner which respects the rights of the University and of any other person who may be affected by their actions. All University Villages tenants are expected to abide by the Student Conduct Code. In addition to the Student Conduct Code, UM Housing has outlined the following policies in our UV Tenant Manual for tenants living in and visiting University Villages.

The University Villages Office reserves the right to develop other rules and regulations as necessary for the safety, care, and cleanliness of the premises, and for the security, comfort, and convenience of all occupants. Failure of the University of Montana, and the University Villages Office to enforce any of these policies and regulations shall not be construed as a waiver of terms. They shall remain in full force and effect.

In addition to the Student Conduct Code, UM Housing has outlined the following policies for tenants living in and visiting University Villages.

stolen will cost $15.00 to replace. Laundry cards that are malfunctioning or broken will be replaced free of charge. Only one laundry card per apartment is permitted.

The care and cleaning of the machines and laundry rooms is the responsibility of the residents. Lint and garbage must be cleaned from the washers and dryers. The machines should be wiped clean, and all excess laundry boxes, bottles, etc., should be placed in the dumpsters. If you find a machine is not working properly, please notify the University Villages Office immediately.

Please do not leave your clothes unattended. The University of Montana/University Villages is not responsible for lost clothing.
Alcohol & Drugs

Alcohol Use
The University of Montana follows all state and federal statutes. In accordance with state law, students under the age of 21 cannot consume or possess alcohol. When both residents of the room are under the age of 21, neither they nor their guests/visitors may possess or consume alcohol. This includes shot glasses, alcohol decorations (trophy bottles), empty alcohol containers, etc.

In suites or apartments, residents who are 21 or over living with/in the presence of underage individuals, may only consume/possess alcohol in their individual rooms. In suites or apartments where residents who are 21 or over and are living with/in the presence of individuals also 21 or over, alcohol may be possessed/consumed in the common space and must keep their behavior from being disruptive. No guests under the age of 21 may be present in the room while the of-age roommate/guests are consuming alcoholic beverages. *In University Villages, legal age adults with minor age children, may consume alcohol in the privacy of their apartment.

Alcohol is not allowed in any public areas of the building, outside of the apartment on patios/balconies, or in rooms occupied by underage residents. Most alcohol situations are brought to attention because of disruptive behavior. This behavior is addressed through student conduct and may require attendance to Behavior Health Options (Options). The cost of the Options program is the responsibility of the student.

Alcohol violations carry with them the prospect of a Minor In Possession (MIP) and other criminal charges, and more severe consequences are dependent on the behavior displayed at the time of documentation.

Drugs
Drugs are prohibited in University housing at all times. The University Villages Staff is instructed to call the UM Police Department and let law enforcement take over a situation if drugs are suspected to be present. The University has strict policies regarding the illegal use and abuse of substances. Federal Student Financial Aid is immediately withdrawn if a student is criminally convicted of a drug crime.

Medical Marijuana
Although the State of Montana law permits the use, possession, and/or cultivation of medical marijuana, federal laws prohibits the use, possession, and/or cultivation of medical marijuana in educational institutions and other recipients of federal funds. The use, possession, and/or cultivation of medical marijuana is therefore prohibited in University of Montana housing facilities or anywhere else on the University of Montana premises. Even if a student, faculty, or staff
member possesses documentation permitting the use, possession, and/or cultivation of medical marijuana, this activity cannot occur on University of Montana premises.

**Facility Usage**

**Alterations to Apartments**

Please do not make any permanent alterations, additions, or repairs to your apartment.
- Outdoor storage buildings, sheds, etc., are not allowed within the University Villages apartment complexes.
- Please do not put glue-tab or adhesive-backed picture hangers, coat hooks, shelves, etc. on walls, woodwork, or doors.
- Apartments are painted as necessary, but generally not during the term of occupancy.
- Surge protectors are required with use of your personal computer. University Villages will not be held responsible for any damages caused by equipment not properly installed.
- Craighead/Sisson/Elliott Village—There are glass inserts for the storm doors at your apartment. For Craighead/Sisson, the inserts are in the hallway closet, and for Elliott Village apartment, the inserts are in the furnace rooms. These inserts will be beneficial during the colder months in trying to keep heat from escaping.

**Barbecues**

Barbecues are allowed in University Villages, however, we would ask that everyone take these precautions and safety guidelines when using their grills:

- Please do not use barbecues on porches, steps, or sidewalks. You may use these items on grass areas away from sidewalks and buildings if you take precautions not to harm the grass.
- Never leave a grill with hot charcoal unattended. We have several young children playing around the apartments and they can easily be burned. When you have finished using the grill, wait for the coals to cool completely, or extinguish them with water before discarding. NEVER put hot or warm coals in a trash bin.
- Lighter fluid and matches cannot be left outside for small children to play with.

Open burning is prohibited in Missoula city limits, unless approved by the City Fire
Department and a valid permit is issued.

**Bicycles & Toys**
Bike theft is very common, so please be sure to always lock your bike up when you are not using it. All toys, bicycles, and other items must be put away and not left in the grass, around the parking lots, or on the sidewalks. Any items left unattended in these areas will be considered abandoned as trash and removed by the University Villages Staff.

**Hoverboards, Segways, IO Hawks & Similar Devices**
Possession, or storage of Hoverboards, Swagways, IO Hawks, Skywalkers, and similar devices, is prohibited on campus until safety standards for them can be developed and implemented, and the prohibition is lifted. Recent information has revealed that the batteries in the devices are dangerous and prone to explosion, creating a safety and fire risk. Until a time that the safety standards for these devices are improved, UM Housing has prohibited them from being in any of our residence halls or apartments.
If you have one of these devices, please remove it permanently from UM property. If you receive or purchase one of these devices, please know that you will not be able to have it in campus housing and if it is found, you will be asked to remove it from UM property or face disciplinary action.

**Businesses**
Residents are permitted to have a business within their apartment as long as it follows these conditions: 1) It is approved by the UM Housing Office located in Turner Hall, and 2) it does not violate any polices of the rental contract for University Villages.

**Decorations & Apartment Displays**
Because this will be your new home, we encourage you to make it your own. Decorate the interior with plants, posters, and rugs that you and your roommate agree upon. You are free to display posters and other things in your room, including either side of your door and the inside of your window except for content unprotected by the First Amendment such as pornographic, obscene, defamatory, or fraudulent messages. You are not allowed to display posters or messages in public areas of your apartment, including outside balconies, without prior consent from the Director of UM Housing. We do ask that you consider removing materials visible to other residents in response to any resident complaint in the interest of maintaining a collegial and civil residence hall environment. Decorations must not cause damage to walls.
Freezing Weather
In the event of severe, freezing weather, please follow these instructions:
Drip all the faucets in your apartment - both hot and cold. Leave the faucets dripping

  Turn your heat on to a minimum of 65 degrees. Open your closet and cabinet doors to expose plumbing fixtures so that these spaces will be heated. If you are going to be away for an extended time period during the winter months, please alert the office. Be sure that your windows are closed, and do not turn off your heat. Instead, leave the thermostat on 65 degrees. These precautions are essential in order to avoid substantial damage to your apartment from broken pipes. If you negligently fail to take these precautions, you may be held liable not only to the damage in your own apartment, but also to any damage to your neighbor’s apartment.

Furnace Room
Please do not use the furnace room for storage at any time. Keep it clean and free of boxes and refuse. We check the heating facilities periodically and schedule an annual maintenance program for all furnaces.

Health Inspections
The University recognizes the right of privacy of all residents living in University Villages, but reserves the right to inspect its property at any time for necessary reasons. For health, safety, or emergency reasons, it is sometimes necessary for a University staff member to enter a resident’s apartment when he or she is not present. Every effort will be made to have an occupant of the apartment present when an inspection is made.

Each semester health and safety inspections of apartments will be made by the Community Assistant Staff to check for cleanliness and safety and to be sure that health standards are being maintained. Written notification will be made at least 24 hours before these health and safety inspections take place.

Lawns
UV residents are responsible for the lawn areas outside of their apartments. This includes ensuring all of the lawn is free of toys, garbage and animal waste as to ensure maintenance is able to mow the areas.
Playgrounds
Playgrounds are provided for the children of residents in each area of the University Villages complexes. Parents assume all responsibility for supervising their children on the playground. Please notify the University Villages Office of any structural hazards in the playground equipment. Your cooperation is expected in keeping the playground safe and clean. Due to the proximity of the playgrounds to some apartments, tenants must be aware of noise level and being considerate of others. There is a 9:00pm quiet hour policy for all basketball courts in University Villages due to the proximity of some courts and apartments.

We prohibit potentially dangerous toys and sports equipment on University Villages property. This policy applies to BB guns, gasoline-powered toys, bows and arrows, golf balls and clubs, bats, weapons, and any other dangerous items. Small children can get hurt when these items are present. *All children must be supervised at all times.*

Satellite Dishes
Please note satellite dishes of any size are not permitted in University Villages for maintenance and safety reasons.

Signs/Notices
You may display approved signs only in designated areas in the University Villages Office, Wash Houses, and Community Center. To get approval for your postings, please stop by the UM Housing Office.

Speed Limit
The speed limit within all University Villages areas is 10 mph. Please use caution and drive slow.

Please note that there is also a one-way street in University Villages behind the Craighead and Sisson buildings. Please obey this street direction so traffic flows easily.

Tickets will be issued for traffic and parking violations by the UM Police Department, who will be enforcing this 24 hours a day, 7 days a week. All tickets need to be paid to their office at Physical Plant Building 32.

Sprinklers
The children will enjoy running through the sprinklers at University Villages. We do ask that you inform your child to not play with the sprinklers at any time. If we determine a sprinkler was damaged due to improper use, the cost to fix the sprinkler may be assessed to the tenant.
UV Policies (cont.)

Storage Policy
In an effort to keep our area clean, the following items are not to be stored outside your apartment.

**Furniture:** e.g., Mattresses, bookcases, beds, bed frames, futon frames, dressers, couches, kitchen chairs, sofas or any indoor furniture. You may keep outdoor furniture that is kept neat and tidy outside the apartment as long as it does not cause any problems for life safety codes. Life safety codes involve being able to access the apartment if there was a life-threatening emergency.

**Appliances:** e.g., Freezers, refrigerators, lawn mowers, etc.

**Automotive Supplies:** e.g., Tires, oil, gas cans, etc.

**Trash/Trash cans:** e.g., Garbage cannot be stored for any amount of time outside your apartment—this is a NO TOLERANCE policy at University Villages. Your garbage needs to be taken immediately to the dumpsters provided. If garbage is left outside your apartment and our staff has to remove it, you will be billed for the removal. Thank you for your cooperation in this matter.

**Cardboard Boxes:** These can be disposed of by the recycling bins throughout University Villages.

**Sports Equipment:** e.g., Canoes, boats, skis, motorcycles, etc.

**Excessive Toys:** Tenants will be given a notice naming the item(s) to be removed and given a date that the removal needs to be completed by. If our crew has to remove any of the above named items, there will be a $25.00 charge assessed to the resident’s account. Most items that are collected are taken to the dump.

Vehicle & Parking Regulations
You will need to renew your decal for University Villages parking before August 31st of each year.

The parking lots in University Villages are designated scramble parking. All parking lots are restricted to tenants only. University Villages parking decals are FREE and are limited to two (2) registered, licensed and operable vehicles per apartment. All vehicles will require a University Villages parking decal to park in any University Villages parking lots. Vehicles inoperable for longer than two (2) weeks must be removed. Tenants requesting parking decals in excess of the two (2) allowed may be required to show documentation that one or both vehicles that have previously received parking decals are no longer in the possession of the tenant and/or will
not be parked at University Villages.

University Villages only allows personal vehicles and does not allow any recreational vehicles, including but not limited to campers and motorhomes, to park in University Villages lots. University Villages also does not allow boats, trailers, or buses.

Abandoned vehicles will be towed at the owner’s expense.

Driving on the lawn is strictly prohibited in all areas of University Villages and tenants will be billed costs for replacing damaged sprinkler heads and grass. Also prohibited: 1) parking in the yellow-painted curb areas, 2) extension cords for head bolt heaters, and 3) parking so that vehicle bumpers extend over sidewalks, which makes snow removal difficult.

- **Utility Vehicles:** Utility vehicles may not be parked at University Villages.
- **Vehicle Maintenance:** Maintenance on cars should be kept to a minimum (e.g. no cars on jacks, changing of oil, or draining cooling systems for extended periods of time).
- **Visitor Parking:** Visitor parking will be limited to four areas: 1) City street parking, 2) the west side of Yreka Court where designated, 3) the north end of Helena Court where designated, and 4) Cinnabar Drive, north and south ends where designated.
- **Two-Wheeled Vehicles:** All two-wheeled vehicles must be parked in a designated parking space and are not allowed on sidewalks, landscaped areas, or porches/patios. Parking 2 two-wheeled vehicles in one space is permitted.

**Wading Pools**

We do ask that parents supervise their children at all times their child is in the pool. We also ask that you empty the pools after each use so the warm sun does not heat the pool and kill the grass underneath. Please store the pools up against your apartment walls so our lawn mowing crew can maneuver easily.

**Windows & Window Screens**

Do not unlatch screens, remove windows, or throw items from the windows for any reason. Room occupants will be charged for the total cost of reinstalling, repairing, or replacing damaged or destroyed screens. Additionally, residents and their guests may not enter or exit the building through the window.
Fire & Safety

General Information
In case of a fire, call 911. Fires are a potentially serious problem in all apartment communities due to the high concentration of individuals living in each building. Most fires are started due to carelessness. At the top of the list is cooking related fires. Next on the list are fires that are caused by cigarettes. Please use caution and common sense to avoid a disaster.

Explore your community and familiarize yourself with all exits. Visit with those living in your apartment about escape routes and a meeting place outside the apartment in case of a fire. Keep exits and access areas clear of all debris and storage. This includes:

- Keeping sidewalks, porches, common hallways, and outside landings clear of all items including trash, furniture, toys, appliances, car parts, and exercise equipment. Failure to do so will result in a cleaning/removal fee that will be charged to the offending apartment resident.
- Not using balconies, porches, sidewalks, or any common area as a laundry drying area.
- Not chaining bikes, motorcycles or trailers to gas piping, stair rails, electrical conduit or plumbing pipes. Keeping barbecue grills at least 10 feet away from all buildings, landings, or porches.
- Barbecue grills (propane or briquette) are not permitted on the second and third floor balconies due to fire hazard.
- Test your smoke detector(s) once a month. Notify maintenance if you have any problems with it.
- No halogen lamps, candles or incense

Smoke Alarms
All smoke alarms must remain operational at all times. Tenants should never disconnect smoke alarms for any reason. Please note: removing, disconnecting, or tampering with a smoke alarm or fire extinguisher is grounds to terminate your lease. Your apartment has at least one battery-operated or electric smoke alarm. When the battery wears down, the alarm will “chirp” every few minutes. Please contact the University Villages Office immediately, and we will provide you with a new battery so you can replace the old one.

Fire Extinguishers (Craighead/Sisson and Elliott Village Only)
Your apartment has one 5-pound, ABC-type fire extinguisher. Check the fire extinguisher’s charge periodically and call us immediately when it needs recharging.
Fireworks & Combustibles
Fireworks, gunpowder, and other combustible materials or substances which endanger health and safety in the University Villages area are not permitted.

Natural Gas Safety
If you detect gas fumes, immediately open the windows, leave the apartment, and call NorthWestern Energy Emergency at 1-888-467-2427. Please also contact the University Villages Office at (406) 243-6030.

General Behavior

Gambling
To conform to state laws, no form of gambling is permitted in University Villages apartments.

Guests
Guests and visitors staying longer than three (3) days must be reported to the University Villages Office. Tenants are responsible for their guests and their compliance with all University Villages and University policies.

Keys & Lockouts
Please take care of your apartment keys to avoid unnecessary lockouts, losses, and/or key fees. Do not duplicate any keys through a third party company—doing such will result in additional fees and conduct proceedings.

If you lock yourself out of your apartment, any time, any day, you can check out a temporary key from the University Villages Office. If you have checked out all available keys, a UM Housing staff member will go to your unit to let you in. To check out a key or be let into an apartment, you must be listed on the Rental Agreement or, for a guest, email us from your official university email account with your guest’s name. They will be required to provide identification and the authorization will only be valid for 24 hours unless otherwise specified in the email. The following fees will apply to all key checkouts and/or being let into an apartment:

$1.00 – If you check out a key between the hours of 8:00 AM and 5:00 PM, Monday through Friday, there is a $1.00 charge as long as the key is returned the same day. The key must be returned before the University Villages Office closes at 5:00 PM. There is a limit of 3 $1.00 checkouts per semester. Semester time periods are Fall: August 15th – December 31st, Spring: January 1st – May 31st, and Summer: June 1st – August 14th.
General Behavior (cont.)

$10.00 – All after hours key checkouts (5:00 PM – 8:00 AM Monday through Friday, all weekends and all holidays) and checkouts returned after 5:00 PM will be charged to the student’s account. All key checkouts in excess of the 3 $1.00 checkouts per semester will also be charged to the student’s account.

$20.00 – Any time a UM Housing staff member must travel to your apartment to unlock the door, your student account will be charged.

If you lock yourself out after hours, between 5:00pm and 8:00am on weekdays, or any time on the weekend or holidays, you will need to contact the Community Assistant on Duty at (406) 552-3375 to get a key checked out to you.

IMPORTANT: All keys checked out must be returned within 24 hours, or the key may be considered lost and your apartment re-keyed for safety reasons.

Please report lost keys immediately to the University Villages Office. We do not charge to replace a lost key, however, if you don’t find the key by the time you vacate the apartment, we will charge a re-key fee of $60.00 per each exterior door. You may have the apartment re-keyed when you lose a key or wait until you move out.

If you don’t return the correct number of keys when you move out, we will charge $60.00 per exterior door to re-key the apartment immediately. Keys are the sole responsibility of the tenant who checks them out.

Loss, Theft, & Insurance

Theft of or intentional damage to University of Montana furnishings or property of persons in the residence halls or apartments is prohibited and will result in severe disciplinary action and/or prosecution.

Residents should immediately report any missing property to their Community Assistant, providing a complete description of the items and their value, where they were located, when was the last time the item was seen, and if any person is suspected of the theft. Any theft should also be reported to the UM Police Department.

As stated in your rental agreement, University of Montana is not responsible for any personal losses due to theft, fire, water damage, or any other incidences.
specifically mentioned in the agreement. For this reason, we strongly urge you to obtain renter's insurance coverage for your personal belongings. If you own an automobile or bicycle, make sure that you have adequate coverage against loss, vandalism, etc.

**Noise & Disturbances**
Please keep noise to a minimum. Our quiet hour policy is enforced seven (7) days a week from 10:00pm to 8:00am. We will also enforce a 9:00pm quiet hour time for the basketball courts due to the proximity of some courts and the apartments. Please discuss any disturbances with your neighbors first. If you are unable to resolve your differences, try talking to your Community Assistant about other possible solutions. We also have a no-charge mediation program where parties can sit down with a neutral party and talk about the issues confronting them. Call the Area Coordinator for more information on the mediation program at (406) 243-6037 or talk to your Community Assistant.

While the hours between 10:00 p.m. and 8:00 a.m. are considered quiet hours we ask that everyone have common courtesy during the day, and especially in the afternoons when small children may be napping, or students are studying. Please keep stereos and televisions at a reasonable volume level and we suggest a pillow being placed under speakers for bass control.

You are responsible at all times for the actions of your children and guests. Report any security problems or vandalism to the UM Police Department at (406) 243-6131 and to the University Villages Office at (406) 243-6030.

Pets will not be permitted to "visit" or be on the premises for any reason.

If pets are found on the premises, violators can lose their entire damage deposit and be evicted through the Student Conduct Code process. Any damages, including the replacement of carpet, will be billed to the student’s account.

Exceptions will be made for individuals requiring a service or companion animal. This request must go through the Disability Services for Students Office located at the Lommasson Center, room 154. Students must also make an appointment with the UM Housing Office following approval from DSS. **This request must be submitted and approved prior to the animal being at the residence hall or apartment.**

General Information

In an emergency, dial (406) 243-4000. For non-emergency situations, dial the UM Police Department at (406) 243-6131.

Anything that seems unusual or "out of place" could be criminal activity. Every resident has a responsibility to report any suspicious behavior, working as a partner with the police. Not every stranger who enters your property is a criminal, but criminals do take advantage of activity in apartment communities by pretending to be legitimately involved in sales, repairs, and service. If you see any solicitors in your community or suspect that any service or repair person is involved in illegal activity, please contact the University Villages Office and/or the UM Police Department.

Never attempt to apprehend a person committing a crime or to investigate suspicious activity. Leave any confrontations or investigations to the police.

Do not allow strangers into your apartment. You may post a no soliciting notice on your door. If you are bothered by solicitors, please contact the UM Police Department.

Hypodermic Needles

Some students have medical conditions requiring the use of needles. Improper disposal of hypodermic needles is dangerous because these needles may carry blood borne pathogens. Proper disposal of hypodermic needles is mandatory. A disposal container can be received at no charge by simply asking for one at the Curry Heath Center. Please keep our campus and staff safe by properly disposing of needles.

Weapons & Firearms

You can store your firearms in your apartment; however, the University Villages Office requires that you register them at the time they are in your possession.
ADA Accessible Units
University Villages has multiple apartments that are fully ADA accessible. Students requiring housing modifications receive priority to these apartments. If you are living in an ADA accessible apartment and the need arises, University Villages reserves the right to relocate you to a similar apartment in University Villages in the event this apartment is needed for a tenant requiring modifications.

Conditions of Occupancy
Eligibility for University Villages requires that:
1. You must be currently enrolled in the University of Montana as a student with at least six credits.
2. You must demonstrate satisfactory progress toward a degree by successfully completing at least six credits per semester.
3. You must maintain enrollment for at least two of the three semesters within the academic year, (Fall, Spring, Summer); however, you may not take off two consecutive semesters.
4. You have not lived at University Villages for six (6) consecutive years.

Only you and your immediate family may live in the apartment. Parents, sisters, brothers, and other family members may live with you if they are dependents and are registered as such with the University Villages Office. We must receive proof of legal dependency before they arrive.

If you have any additions or changes to the people living in your apartment, you must notify our office with this information. Anyone not listed as living in the unit will be asked to leave the apartment, and this will be considered a violation of the eligibility standards for University Villages which could result in eviction from the apartment.

Roommate Policy
University Villages is primarily “family” housing. Families in need of housing receive a priority status and are offered housing first. Single students are offered housing after all families have been offered units.

Single students qualify for studio, 1 bedroom, and 2 bedroom apartments. In order to live in a 2 bedroom apartment, single students must have a roommate who is also a University of Montana student and who is enrolled in at least six (6) credits per semester. Three and 4 bedroom apartments are strictly reserved for families.
Roommates living in a 2 bedroom apartment are each required to pay a $350.00 damage deposit. Damage deposits are not transferable between students.

Two bedroom units are allowed only one (1) roommate change. If the unit has already had one (1) roommate change and a roommate wishes to vacate, both roommates will be required to vacate the unit. Exceptions to this may be approved by the University Village Office as long as one original roommate continues to live in the unit.

If a roommate wishes to vacate, they must fill out a 30-day notice and submit it to the University Villages Office. The vacating roommate may move out at any time after the 30-day notice has been submitted, but will be charged rent through the 30 days if another roommate has not moved into the unit during that time.

The vacating roommate is required to turn his/her key in to the University Villages Office the day he/she vacates the unit.

The remaining roommate is required to find a new roommate within 30 days of being notified by the UV Office that their roommate is vacating. If a new roommate is not found within this timeframe, the remaining roommate may stay in the apartment without a roommate and assume full responsibility for the apartment as well as the full apartment rent amount each month beginning the date their roommate moves out.

All new roommates are required to fill out an application, and pay the $25.00 application fee.

All new roommates are required to come to the University Villages Office and sign a Rental Agreement form.

All new roommates are required to complete a Move-In Check Sheet within five (5) days of occupancy. The Move-In Check Sheet must be filled out to indicate any damages that are present within the unit at the time the new roommate takes occupancy. If the Check Sheet is not returned within this timeframe the new roommate assumes joint responsibility with the current roommate for all damages present.

If any damages are listed on the Move-In Check Sheet at the time it is returned to the University Villages Office, an inspection may be scheduled to inspect the damages and assess charges to the current roommate and the vacating roommate.

Damage deposits are returned to vacating students only after 1) the unit has been fully vacated, an inspection has been completed by the University Villages Office (if required), and any charges for damages/cleaning have been applied to each
roommate’s student account, or 2) a new roommate has moved in, a Move-In Check Sheet has been returned to the University Villages Office, an inspection, has been completed (if required), and any charges for damages have been applied to the remaining and vacating roommate’s student accounts.

**Rental Payments and Late Fees**
All rent payments are due on the first day of each month. If you do not pay the rent on or before the fifth day of the month, your account will be assessed a $25.00 late payment fee. Payments can be made at the UM Housing Office, Griz Central, online, or with a credit card by phone at (406) 243-2611.

**Where and How to Pay Your Rent:**
1. UM Housing Office in Turner Hall, Monday-Friday from 8:00am to 4:00pm
2. Griz Central (Please note that if you make a payment at Griz Central, this payment may not reflect directly to rent. It will be applied to the oldest charge on your student account)
3. CyberBear (Please note that if you make a payment online, this payment may not reflect directly to rent. It will be applied to the oldest charge on your student account)
4. You may also pay via credit card by calling (406) 243-2611, Monday-Friday from 8:00am to 4:00pm
5. Mail your payment to:
   UM Housing Office/University Villages
   101 Turner Hall
   Missoula, MT 59812

If rent is continuously late, you may be evicted from University Villages for rent delinquency. In addition to potential suspension or eviction from University of Montana housing, not paying rent creates holds on your records and future registrations, plus a notation of such violation in your permanent University of Montana student record. The University reserves the right to seek any other legal remedies against you, as well.

University Villages rental rates are subject to change with economic conditions. The University of Montana reserves the right to change rates after giving residents due notice.

**Subleasing**
Subleasing is not allowed in University Villages, this includes any postings on Airbnb, VRBO, or similar websites.

**Transfer Information**
Residents may apply for a transfer only when their family size changes. Special circumstances will be reviewed by the University Villages Office for approval.
Rental history is reviewed before the transfer assignment is made.

Transfers are made during the middle of semesters (February and October). We will look to transfer if we have exhausted our waiting list for new residents moving in. A $100.00 non-refundable transfer fee will be assessed at the time the apartment is assigned. This transfer fee must be made prior to receiving keys for the new apartment. Rent will be charged for both apartments during the period of the transfer.

Tenants wishing to transfer to another apartment will be obligated to follow all the check-out procedures in the apartment they currently live in which includes cleaning, removing trash, professional carpet cleaning, and returning keys. Please see checkout Procedures for more specific information.

**Violent & Sexual Offenders**

Any student or student dependent who has been designated as a violent or sexual offender by a county, state, or federal court, and who is requesting housing in University facilities must notify the UM Housing Office of this information prior to execution of the contract.

The UM Housing Office must also be notified when a student or student's dependent residing in University residence halls or University Villages is designated as a violent or sexual offender within 24 hours following such designation by a county, state, or federal court. The University reserves the right to review the student tenant's or student tenant dependent's offender status and the potential risk to the community due to the tenant's or tenant dependent's residence in the University residence halls or University Villages. After such review, the University may deny occupancy to a tenant or a tenant's dependent based on either offender's designation status. A student's failure to provide this required notification may also result in the student's unauthorized occupancy of University premises or other University of Montana Student Conduct Code violations, subjecting the student to Student Conduct Code disciplinary proceedings.

**Termination of Occupancy by the University of Montana**

The University reserves the right to terminate occupancy by giving 14 days advance notice in accordance with Montana law if:

- You do not meet marital, dependency, financial, and/or academic requirements.
- You do not meet the enrollment requirements:
  - You must be currently enrolled in the University of Montana as a student with at least six (6) credits.
  - You must demonstrate satisfactory progress toward a degree by successfully completing at least six (6) credits per semester
• You must maintain enrollment for at least two of the three semesters within the academic year; however, you may not take off two consecutive semesters.
• You have not lived at University Villages for six (6) consecutive years.
• You are dismissed, voluntarily withdraw, or graduate from the University. (If you withdraw or graduate from the University, you must vacate your apartment in 30 days.)
• You, a member of your family, or a guest violates University Villages rules, or the UM Student Conduct Code.
• It is determined that you provided false or inaccurate information when applying for occupancy.
• Your payment of rent, or any charges owed to UM Housing, is delinquent.

If the University of Montana terminates your occupancy, we have the right to take possession of the premises and remove your property from the apartment (see Abandoned Property).

**Termination of Occupancy by Tenant**

You must notify the University Villages Office of your intent to vacate by filling out a notice of intent to vacate form at least 30 days before you plan to leave. You are liable for 30 days rent from the day the University Villages Office receives written notice. Moving out within that 30-day period does not reduce the amount of the rent.

You cannot change your vacate date. Once you turn in the vacate form, your vacate date is final and no exceptions will be granted. Your apartment is reassigned based on your vacate date.

**Vacate Policy for Roommate Apartments**

Only one name change can occur with an apartment. The roommate must give a 30-day written notice (see Roommate Policy).

If you do not return your keys after you vacate the premises, rent will continue to be charged. If you are unable to return your keys during regular office hours, please seal the keys and your carpet receipt inside an envelope with your name, address, and date written on the outside.

Deposit the keys in the mail slot outside the University Villages Office. If you do not return all original keys, your apartment will be re-keyed and the cost will be your financial responsibility.

We will refer to the State of Montana Department of Revenue and/or a collection agency any past due rent and/or miscellaneous charges owed to the University that you leave unpaid. You will be liable for all costs incurred in collecting them.
Checkout Procedure

1) All apartments must be thoroughly cleaned and all trash removed. All carpets must be cleaned by a professional and certified carpet cleaner upon vacating the apartment. An official receipt for this service must be presented when you turn in your keys. Renting a steam cleaner is not allowed. If carpets are not cleaned, management will make arrangements for cleaning and charge the expense back to the tenant. Keys will not be checked out to carpet cleaners after you have vacated.

2) When you are completely moved out, return the keys and carpet receipt to the University Villages Office. Before leaving, be sure all doors and windows have been closed and locked. If the apartment has not been locked, the tenant will be responsible for shortages and damages. The apartment will be inspected as soon as possible after the keys have been turned in to the office. Rent will continue until the keys have been turned in. A fee for re-keying each exterior door will be charged for lost keys. NOTE: Some apartments have three (3) exterior doors, thus a charge will be assessed for each door (see Cleaning/Damages & Fees for prices). If you wish to leave after office hours, place the keys and carpet receipt in a signed, sealed, and dated envelope, and place in the drop box at the University Villages Office.

3) We ask that moving vans, trucks, automobiles, or trailers not be driven or parked on the sidewalks or grassy areas at any time. A $50.00 fine will be assessed for anyone caught driving on the lawn. Additional charges may be assessed.

4) Tenants residing in Elliott Village or Toole Village must inform NorthWestern Energy when they vacate. NOTE: During the winter months, set the room thermostat at 70 degrees. Do not turn the gas off. Do not switch any of the electrical breaker switches off. Please make sure all windows are closed and locked.

5) Tenants need to change their mailing address on CyberBear with the University of Montana. This address is where the deposit will be mailed. To have your deposit returned in a manner other than by check, please contact the Business Services Department on campus at (406) 243-6260.

Cleaning Requirements

For your cleaning reference, the following is a guide to assist you in meeting our cleaning requirements for the refund of your security deposit. All apartments must be thoroughly cleaned and all trash removed from the apartment, porch, storage closets, and/or balcony.

1) Kitchen: Scrub the sink, countertops, cabinets, range hood or exhaust fan, and behind the range. Range: Clean range top, burner rings, drip pans, under burners,
and area beneath burners. Clean all interior oven surfaces with an oven cleaner, removing all traces of food and burned, encrusted food. Refrigerator: Defrost and clean, removing all traces of food and odor. Do not use sharp objects to remove ice build-up in freezer.

3) Floors: Mop and/or scrub all linoleum and tile areas, removing all traces of dirt and wax build-up. Vacuum all carpet areas. Vacuum or dust baseboards.

4) General: Dust panel wall. Clean all light fixtures and switch-plate covers. Wipe clean all closets and dressers (inside and out), entry door(s), and inside doors. Clean all windows, inside and out. No trash is to be left in the apartment or on the porch areas.

5) Elliott Village and Toole Village Residents: Clean the floor of the furnace room, removing accumulated dust from furnace and water heater surfaces. Craighead/Sisson Residents: Vacuum and/or clean all hot and cold air registers and baseboard heaters.

6) Carpet: Hire a professional carpet cleaner from the approved list, or request to have University Villages clean all carpets upon vacating the apartment. Hiring someone not on the approved list can result in additional cleaning charges billed to your account if the job is unsatisfactory.

7) Walls: Do not attempt to cover up nail holes with spackle.

8) Moisture: Any condensation or moisture build-up on windows, window sills, walls, ceilings, etc., needs to be cleaned up and dried on a regular basis. Unattended moisture will result in mildew or mold growth. If spots of mildew appear, wash the area with a clean water mix of 1 part bleach to 10 parts water.

9) Bathroom Exhaust Fan: The exhaust fan must be running during all bath/showers and continue running for 20 minutes after the bath/shower to exhaust moisture from the room. If fan is not working properly, call the University Villages Office for maintenance.

10) Air Circulation: Air circulation within the bathroom and the apartment is important to alleviate condensation. Furniture (including bedding/linen) should be a minimum of two (2) inches from the walls to allow air flow. Furniture should not be placed over the furnace air ducts.

General Maintenance

Submitting a Work Order
- Call the University Villages Office, (406) 243-6030
- Submit the work order online (work orders submitted online may take up to two business days to complete)
  - https://login.umt.edu/idp/profile/cas/login?execution=e1s1

Cold Weather Precautions
- During the night, we suggest keeping the thermostat at 70 degrees and keeping the bedroom and bathroom doors open slightly. Heating system lines are located below windows and can freeze quickly, especially in closed rooms.
• If you plan to leave town during vacations, set the thermostat at 70 degrees and notify the University Villages Office so we can check the apartment in case of extremely cold weather. Be sure to close all windows tightly.

Light Bulbs
Tenants are responsible for replacing the interior and exterior light bulbs in and around their apartment. If you experience any difficulties in changing out a light bulb, please contact the main office for assistance.

Warning: The Consumer Product Safety Commission has issued a warning about the use of halogen lamps. The danger is the excessive operating temperatures of the halogen bulb. Curtains, clothing, paper items, and so forth burn quickly when they come in contact with these 300 or 500 Watt bulbs, which produce temperatures of 970 to 1200 degrees Fahrenheit.

Maintenance, Inspection & Repairs
Your cooperation is asked in the care and maintenance of the University Villages premises (including grounds) by promptly reporting to the University Villages Office any breakage, damages, or needed repairs to the apartment units, facilities, or equipment. Do not adjust or tamper with any mechanical, electrical, or natural gas equipment or any electrical wiring of equipment.

We reserve the right to enter any apartment during reasonable working hours for the following reasons:
1) Safety, security, and health of all occupants;
2) Preventive maintenance, inspection, and pest control;
3) Improvements or repairs that are needed.

Whenever possible, we will inform you with at least 24-hours notice of these entries. Because of ongoing, unforeseen urgent/emergency requests, University Village staff are not able to schedule maintenance staff to come at a specific time. If we must enter your apartment when you are not home, we will leave a written notice inside the apartment indicating who was there and the purpose.

University Villages Staff will conduct Health and Safety Inspections each semester, typically during October and March. Tenants will receive advance notice of the inspection, and are welcomed, but not required, to be present at the time of the inspection.
Grounds

The University Villages Office maintains the grounds. However, we expect you to keep the area around your apartment clean and free of trash. You are also responsible to make certain your children do not dig in the lawns or climb on trees and shrubs. If your child is caught destroying the green sprinkler boxes or is found destroying University property, your apartment will be charged a $150.00 fine and the cost to replace the damaged item.

Please do not hang clothes, rugs, etc., from second and third floor landings. Please shake dust mops and rugs at the end of the apartment wing, not over the railings.

Please do not use the grass areas around the apartments for golf putting, football, or baseball games (including batting or passing). You can use the large open grass area along Cinnabar Drive or the UM golf course for such activities.

During winter months, you will be responsible to keep the immediate steps and walkways on both sides of your apartment clear of ice and snow. These smaller walkways will meet a common sidewalk. Residents will need to clear the smaller sidewalks, and our grounds crew will clear snow from the main common sidewalks. Snow shovels can be checked out at the University Villages Office at no charge.

Sledding or tobogganing is not permitted on University Villages property. You can use the UM golf course area for such activities after it has officially closed for the season.

We like to see the colorful artwork on the sidewalks made by sidewalk chalk, however, we do not allow for the chalk to be used on the walls of the buildings. Tenants responsible for this will be charged for the cleaning and/or repainting of the damaged walls.
