

SilkRoad Partner Job Board	Description
CareerJet	<p>CareerJet is a job search engine that maps job offerings available on the internet in one extensive database by referencing job listings originating from job boards, recruitment agency websites, and large specialist recruitment sites. Users can query this database and avoid visiting each site individually. Job offerings are not hosted by CareerJet, and users are always redirected to the original job listing. Careerjet's job search engine network encompasses over 90 countries, featuring separate interfaces that are translated into 28 languages.</p> <p>CareerJet uses smart agents running on a cluster of networked computers to scan the web and identify job listings on the internet. Listings are scanned daily and jobs found are added to the job index. Over 58,000 websites are scanned every day.</p>
DirectEmployers (us.jobs)	<p>DirectEmployers is a nonprofit, member-owned and managed association formed in 2001 by 14 leading Fortune 500 companies.
