

Fiji

Faculty Directed Program

PROGRAM INFORMATION

Program Director:

Dr. Keith Bosak

College of Forestry & Conservation

Keith.Bosak@umontana.edu

243-6062

Country Destination: Fiji

Credits: 3 credits

Degree Level: undergraduate or
graduate

Cost: \$2095

Dates: June 10 - 19, 2012

Application deadline:

April 15, 2012

Over 10 days, students will receive 3 credits while examining the conservation and management of Fiji's unique marine, coastal, and mountain/rainforest regions. Students will attend lectures at the University of the South Pacific and experience Fiji's natural beauty and traditional culture.
