School of Business Administration

jerry.furniss@business.umt.edu

(406) 360-7846/243-2062

Country Destination: New Zealand & Sydney, Australia

Credits: Undergraduate 6 credits
Graduate 4 credits

Degree Level: Undergrad or grad

Cost: \$4990.00

Dates: Dec. 26, 2011–Jan. 19, 2012

Application Deadline:

November 1, 2011

(Early Applications Encouraged)

Earn 6 credits in MIS/MGMT/NRSM/PTRM 345 X or earn 4 credits as a graduate independent study during this 3.5-week adventurous program focusing on natural environments, sustainable business development, international trade, and local New Zealand and Australian culture. We will examine issues related to ecotourism, sustainable business and community practices, tech transfer, climate change, conservation, and indigenous Maori views of the environment. Attend lectures from academic, governmental, and business leaders in Wellington, Christchurch, and Sydney and embark on a multi-week field study tour of New Zealand's magnificent South
