

## Brazil Credit Transfer Information

---

### Full-time credit load (undergraduate)

Students usually take three to five classes and spend 20 hours in class per week during the 15 week semester in Brazil.

### Grade conversion

Brazil Grade		U.S./UM Equivalent
10.0-9.0	Exclenete	A
8.9-7.0	Bom	B
6.9-5.0	Regular	C
4.9-3.0	Insuficiente	D
2.9-0	Deficiente	F

### Upper division

Upper division credit may be granted upon approval by your advisor/department chair upon your return to The University of Montana. Save your coursework and class syllabi to earn such approval.

### Other notes

There is no uniform grading scale used in all Brazilian schools. Many use the 0-10 scale while others use letter grades similar to the US. Grading is fairly severe.

Transcripts from the ISEP member in Brazil give the number of hours spent in class per week and per semester to assist home universities in determining the number of credits for each class.
