Upper division

Upper division credit may be granted upon approval by your advisor/department chair upon your return to The University of Montana. Save your coursework and class syllabi to earn such approval.

Other notes

Grading is roughly comparable to the U.S. university system. Overall academic quality is high and major Canadian universities are academically demanding. More classes tend to be conducted as seminars than is usually the case at large U.S. universities. Most courses of study in Canada require fewer examinations and more writing of term papers than in the United States; this is particularly evident at the graduate level.
