

**ACCOUNT/PASSWORD MANAGEMENT  
CURRENT SUCCESSES/FAILURES**

R.Ford  
11-28-06

**UM Centralized Directory Services World**

***GOAL: Complete and consistent implementation of all authentication and password management functions, independent of The Directory details and across all applications.***

**Successes To Date -- Consistency in**

- account name synchronization and use
- password set, reset, and use synchronization

**Failure To Date -- Inconsistency/Incompleteness in**

- to-user delivery of account related messages
- to-user delivery of authorization related messages.
