The Alexander Blewett III School of Law offers a streamlined application process that does not require an LSAT score for qualified undergraduate students at the University of Montana and qualified students seeking to obtain their J.D. degree in combination with one of our three joint degree offerings. The Expedited Admission Program is subject to annual review by the School of Law, which may alter or eliminate the program without advance notice.

Applicants under this program need not submit a personal statement and only need one academic letter of recommendation discussing the applicant’s academic abilities and performance. The six-page application and supporting materials are submitted directly to the Admissions Office at the School of Law. The School of Law will waive the application fee for students who apply under this option. The Expedited Admission Program normally will result in an admission decision within 1 week of the Law School’s receipt of the completed application form and required supporting documents.

To be eligible for admission under this option, applicants **must** meet the following criteria:
