Camp Description

In this camp we will do a variety of recreational mathematics activities that expose students to fun ways they can be engaged in mathematics. Campers will explore strategy games, puzzles, math magic tricks, geometric art, mental math strategies, and more. Come see how math can be a fun way to use your spare time! Appropriate for students entering 5th or 6th grade in the fall. Taught by Bonnie Spence, UM math instructor and former middle school math teacher. To register a student call 243-4808 or contact by email Bonnie.Spence@umontana.edu
