MESSAGE FROM THE PRESIDENT

Welcome to the University of Montana. Please take the time to review the annual Jeanne Clery Report. This report contains campus crime statistics and critical campus safety information such as policies, crime prevention, crime reporting, and resources to aid you in becoming more safety-minded. As members of the University of Montana, we all share in the responsibility of maintaining a safe campus community. The University of Montana strives to be a safe place where knowledge thrives. I encourage you to review the following information to assist you in maintaining safety and security for yourself and others in our campus community. The Office of Public Safety is the primary department for providing security and law enforcement services for the University of Montana. Public Safety relies heavily on the University community to report any suspicious activity, crimes being committed, and crimes in progress that occur on the UM campus. To make these reports, please call the Public Safety at (406) 243-6131 or 911 for emergencies.

Sincerely,

Royce Engstrom
President, University of Montana
I. CAMPUS SECURITY AND CRIME

1. OFFICE OF PUBLIC SAFETY AUTHORITY AND JURISDICTION

UM Public Safety Officers (also referred to as “UM Police”) are vested with full law enforcement powers and responsibilities within their jurisdiction, identical to the Missoula City Police Department and the Missoula County Sheriff’s Department. Their authority is derived from Montana Code Annotated, Section 20-25-321. The University of Montana Office of Public Safety (OPS) is located in Building 32 (Physical Plant), directly east of the football stadium. The Office of Public Safety's jurisdiction extends one mile beyond the University campus for University-related activities. Per the Mutual Aid Agreement with the Missoula City Police Department and the Missoula County Sheriff’s Office (discussed below), enforcement action may be taken outside the one-mile jurisdiction in emergency situations.

OPS provides continuous year round security and law enforcement protection to the University of Montana community. Twenty-four hour police services are provided with access to municipal fire and emergency medical services. Commissioned officers patrol the campus on a 24-hour basis and staff detectives, a bicycle patrol, the Residence Hall Patrol, Student Escort Service and a Crime Prevention Unit that offers a variety of programs and services on personal and property protection to the campus community. In addition, OPS assigns a Community Relations Officer to the Residence Halls to be available to students and to advise in areas such as sexual assault awareness, making referrals to other professionals, crisis intervention, suicide/depression issues, and building healthy relationships.

Public Safety officers prepare and submit incident and crime report statistics to the Montana Board of Crime Control (National Incident Based Reporting Standards). They routinely share information on arrests and serious crimes with the Missoula City Police Department and Missoula County Sheriff’s Department.

University of Montana Office of Public Safety also maintains a Memorandum of Understanding and Agreement with the Missoula City Police and the Missoula County Sheriff’s Department (the “Mutual Aid Agreement” mentioned above). Under the Mutual Aid Agreement, the UM Police may request assistance for aid from the Missoula Police Department and Missoula Sheriff’s Department during the response or investigation of a call for service. The UM Police do enforce vehicle and traffic laws within the boundaries of the campus or on streets and alleys contiguous thereto. It is also agreed that University police will assume first jurisdiction and responsibility for all felony crimes other than crimes against persons or felony drug crimes. The UM Police assume first jurisdiction on all misdemeanors occurring on University property, property occupied by registered student organizations and events sponsored by the University, and will provide mutual aid and support to Missoula City Police on request as available.

All Public Safety officers receive training and state certification at the Montana Law Enforcement Academy. They complete additional in-service and regional training in firearms, defensive tactics, legal updates, evidence gathering, traffic investigations, Sexual Assault First Responder Training, and a variety of crime investigation and crime prevention techniques. All University Police 911 Dispatchers are trained and certified by the State.
2. CRIME REPORTING PROCEDURES

Crime is a reality at the University of Montana, as it is on every college campus. Preventing crime is everyone’s responsibility. Unreported crime is a criminal’s greatest ally. If you suspect a criminal act has taken place, contact the Office of Public Safety located in the Facility Services Building located just behind the Washington Grizzly football stadium or:

- For emergencies call 911 or contact the UM Office of Public Safety at (406) 243-4000.
- For non-emergencies call (406) 243-6131
- You may also report a crime online on the Office of Public Safety website: http://www.umt.edu/publicsafety/

If you are a victim or witness of a crime: Report the incident immediately to University police. If you can, gather pertinent information, such as sex, race, hair color and length, body size, clothing description, scars and other noticeable characteristics, modes of travel, type of vehicle, color and license information, and information about location.

Suspicious persons: If you see anyone acting suspiciously, call 911 or 243-4000. Do not approach the individual yourself. Report the type of suspicious behavior and the location. Relay pertinent information concerning the person including: age, sex, dress, vehicle and direction of travel.

Bomb Threat: If you receive a bomb threat, it is important to obtain as much information as possible from the caller. Things to ask are: (1) location of bomb, (2) time of explosion, and (3) type of bomb. Make mental notes about the caller's voice, and background noises which you may hear. Call Office of Public Safety immediately at its emergency number: 406-243-4000. Do not panic. The Office of Public Safety will search the area, notify properly trained personnel, and notify emergency services. The Public Safety Office, in conjunction with the building supervisor and administration, will determine if evacuation is necessary.

What to Report: When calling Office of Public Safety to report an incident, please provide the following information:

1. Your name
2. Location of incident
3. Type of incident
4. Description of suspect, vehicles or other pertinent information
5. Return telephone number

Limited Voluntary Confidential Reporting: If you are a victim of a crime and do not want to pursue action with the University administrative process or the criminal justice system, you may still want to consider reporting the crime to the Office of Public Safety. Because reports are public records under state law, the Office of Public Safety cannot hold reports of crime in confidence. However, the Office of Public Safety can file a report on the details of the incident without revealing your identity. The purpose of the confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the University can keep an accurate record of the number
of incidents involving students, determine if there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

**Medical Response:** When faced with a medical emergency, call 911, or notify the Office of Public Safety at (406) 243-4000. Provide as much information as possible regarding the nature of the injury or illness and the state of the person needing assistance. Officers will arrange for an ambulance, if required.

3. **RESPONSE TO REPORTED CRIME**

The Office of Public Safety will respond to reports of crime against persons and all property owned, controlled, leased or operated by the University of Montana. On a 24-hour basis, dispatchers can instantly dispatch the University police, Missoula fire and emergency medical services, and if needed, will request assistance from the Missoula City Police and/or Missoula County Sheriff's Office.

All reports of criminal activity occurring within the jurisdiction of the Office of Public Safety will be investigated and, if the investigation confirms a violation of the state criminal code, the matter will be referred to the Missoula County Attorney or Missoula City Attorney for prosecution. Reports of criminal activity received by Office of Public Safety occurring outside its jurisdiction will be referred to the appropriate city or county law enforcement agency.

A log of daily crime reports and incidents are maintained and available for review by the campus community and the public at large. The crime log is available in the Office of Public Safety.

4. **CAMPUS FACILITY SECURITY**

a. **ON-CAMPUS RESIDENCE HALLS:** There are nine residence halls on campus, the halls are administered by a head resident and assistant head resident and supervised by the Office of Residence Life office. The Residence Life Office is located in 101 Turner Hall. The Office of Public Safety and the Office of Residence Life Office are jointly responsible for developing and implementing safety measures, procedures, and programs that promote the greatest possible security of residence halls. Residence Life works with the Community Liaison Officer from Public Safety on safety and security measures in the residence halls.

Main lobby doors to the Residence Halls are unlocked during the week from 8:00am to 8:00pm daily. After 8:00pm, students utilize their Griz Cards to gain access to the building in which they live. During holidays, break periods, and weekends, the halls remain locked throughout the day and students must always use their Griz Card to gain entry to their assigned building. In some buildings, wing doors limit free access within the building. Students who live on floors with wing doors must use their Griz Card to swipe in from 8:00pm to 8:00am. Floors or wings in the halls are divided by gender. Guests of the same gender (or relatives) are allowed to stay overnight in the halls.
The entrances to all residence halls have video security surveillance and the exterior lighting around the periphery of the buildings is effective and well maintained. University Police patrol the residence hall areas. Inside residence halls, rooms have safety door viewers and chain door guards. Bulletin boards adjacent to each resident assistant's room keep floor residents abreast of campus events, programs, potential security risks, and campus incidents. Staff members are available on a 24-hour basis to address emergencies.

b. UNIVERSITY VILLAGES: Three apartment complexes, located within four blocks of the main campus, compose University Villages. Only students, faculty, staff, and their immediate families are permitted to live in these apartments. Improved lighting, numerous routine patrols by the Office of Public Safety, and on-going crime prevention efforts have been established for University Villages. Community Assistants live in the apartment complexes to assist residents with issues and security.

c. LEWIS AND CLARK VILLAGE: Lewis and Clark Village is located approximately eight blocks from the main campus and consists of 192 two- and three-bedroom apartments in 11 buildings. The Village is designated for single upper class or graduate students. Electronic access, safety viewers, and chain door guards are provided for each apartment. An electronic message sign is strategically located at the mail delivery area to communicate important messages to students. The Village has effective exterior lighting and exterior areas are monitored by video surveillance. Village Assistants live in the apartments and assist in monitoring the Village. All residents are expected to assist in creating a safe, healthy, and productive community.

d. FRATERNITY AND SORORITY HOUSES AND OFF-CAMPUS STUDENT HOUSING
There are four residential sororities, three residential fraternities, and one commuter fraternity located off campus. The Office of Public Safety and the Missoula Police Department share concurrent jurisdiction of the fraternities and sororities. When crimes are reported at fraternity or sorority houses, the 911 dispatch center will alert both the Office of Public Safety and the Missoula Police Department. The two agencies have a formal mutual aid agreement, providing each other with patrol and backup assistance. In addition, many students live in privately owned housing within the Missoula community. The Missoula Police Department has jurisdiction over these residences.

e. OTHER UM CAMPUSES AND FACILITIES
The Missoula College east and west campuses are located on South Avenue; one is adjacent to Sentinel High School and the other is near Fort Missoula. UM Police respond to calls for service as well as emergencies on a year-round basis. Due to the location of these campuses, the Mutual Aid Agreement may be activated to allow for a faster response by Missoula City or County officers.

The Bitterroot College of the University of Montana is located approximately 50 miles south of Missoula in leased facilities. The Ravalli County law enforcement authorities provide services to this site on a year-round basis.

The Flathead Lake Biological Station is about ninety miles north of Missoula at Yellow Bay. Lake County law enforcement authorities provide service to the station on a year-round basis.
The Lubrecht Experimental Forest Station is about thirty miles east of Missoula along Highway 200. The Montana Island Lodge is about forty-five miles north of Missoula on Highway 83. The Missoula County Sheriff's Department provides service to both locations on a year-round basis.

Several homes adjacent to the campus are owned and operated by the University as offices and residences. Both the Office of Public Safety and the Missoula Police Department patrol these areas. Investigation of crimes occurring at these locations is the responsibility of the Office of Public Safety.

f. OFF-CAMPUS CRIMINAL ACTIVITY
When a UM student is involved in an off-campus offense, the Office of Public Safety may assist with the investigation in cooperation with local, state, and federal law enforcement. Missoula City Police routinely work and communicate with campus officers on serious incidents occurring on-campus or in the immediate neighborhoods surrounding campus. Many students live in the surrounding neighborhoods. While Missoula City Police have jurisdiction of all off-campus areas, UM police can and do respond to student-related incidents that occur in close proximity to the campus. UM police have direct radio communication with the Missoula police and fire to facilitate rapid response in an emergency situation.

5. CAMPUS SECURITY INFORMATION AND EDUCATION

University police officers provide safety and security education through numerous presentations to on-campus groups and other presentations upon request. Many other staff members and offices also provide educational presentations to the campus community on sexual violence, such as SARC (the Student Advocacy Resource Center) and the Title IX Coordinator.

University police officers and other qualified staff members provide presentations throughout the campus community ranging from discussion sessions in residence halls to classroom presentations. Crime prevention materials and reminders are also distributed to the campus community. In addition, the Office of Public Safety website provides crime prevention information for the campus, including crime prevention tips, crime alerts, and a link to the Montana Department of Justice Sexual or Violent Offender List, and other useful information.

Students living in residence halls are provided security information at check-in. Residence Life staff regularly address residence hall safety and security rules and precautions, and personal safety considerations with all residents at floor and hall meetings. Safety and security rules and guidance are provided on the Residence Life website.

6. CRIME PREVENTION PROGRAMS

The University's crime prevention program stresses community awareness and interaction through the dissemination of materials and presentations designed to familiarize students, faculty and staff with their respective responsibilities to reduce criminal opportunity.
Educational programs concerning personal safety, crime prevention, including prevention of sexual assault, non-stranger sexual assault and personal safety techniques are offered by a variety of groups and individuals on campus each year, including Office of Public Safety, the Student Advocacy Resource Center (SARC), and others.

Crime prevention programs include:

a. **GRIZZLY PERSONAL SAFETY (GPS)**
Grizzly Personal Safety (GPS) is a free student-staffed safety service. The GPS objective is to ensure that no campus member has to walk on campus alone after dark. When called, GPS members will meet the caller at their location and walk with them to their destination. GPS members travel the campus in pairs, wear distinctive clothing, and carry radios and flashlights. This nighttime service is available seven days a week when school is in session. If GPS is unavailable, Public Safety officers will provide the same service. Call (406) 243-2777, for more information or to have GPS accompany you across campus.

b. **RESIDENCE HALL SECURITY**
Public Safety officers patrol the residence halls, and residence hall staff members are on duty seventeen hours a day with 24-hour assistance available. In addition, the entrances to all residence halls and the exterior areas of Lewis and Clark Village are equipped with video security surveillance.

c. **EMERGENCY TELEPHONES**
Tan emergency telephones are mounted to the outside walls of residence halls and other campus buildings. Additional pole-mounted telephones, illuminated with a blue light, are located at various locations on campus (see map on page 11), at University Villages, Lewis and Clark Village, and Missoula College. No dialing is required at emergency phones; simply push the button and the University dispatcher will answer. Activation of the telephone will alert the dispatcher of the caller's location via a digital display at the switchboard. The caller should tell the dispatcher the problem and then stay on the line, unless the caller's safety is in danger. A Public Safety officer will be dispatched to the caller. If a caller is unable to communicate with the dispatcher, a Public Safety Officer will still respond to the location.

d. **ELECTRONIC ALARM SYSTEMS**
A variety of intrusion, fire, and general emergency alarms have been installed on campus. By monitoring them University Police can provide immediate response to alarms.

e. **ARCHITECTURAL DESIGN AND SECURITY SURVEYS**
The Offices of Public Safety and Facilities Services review campus buildings and exteriors to ensure that safety and security considerations are built into all aspects of the campus infrastructure.

f. **BICYCLE REGISTRATION**
Students, faculty, and staff are encouraged to register their bicycles in order to deter thefts and help Public Safety officers recover and return lost and stolen property. Registration services are available at the University Center customer service counter (The Source), the Office of Public Safety, Missoula City Hall, and various Missoula bicycle dealerships.

g. FACILITIES SERVICES
Facilities Services maintains University buildings and grounds with a concern for safety and security. The office regularly inspects campus facilities, responds to reports of potential safety and security hazards, and promptly makes repairs. The Office of Public Safety, as well as individual students, faculty, and staff, help with these activities by calling the work order desk at x6091 to report any safety or security hazards.

i. CRIME PREVENTION TIPS
Following are some tips to help keep you and your property safe.

• Report all suspicious persons/circumstances to the Office of Public Safety immediately by dialing (406) 243-4000.
• Avoid walking alone at night regardless of gender. Use the Grizzly Personal Safety service.
• Do not allow tailgating into any building (letting someone follow you through a locked door). Remember that residence halls are restricted to the students who live there and their guests.
• Know the locations of the emergency telephones and the emergency call boxes located around campus. Campus maps show the locations of emergency telephones. Or keep your cell phone handy to call UM Police Emergency – 406-243-4000.
• Engrave owner applied numbers, such as a driver's license number, on items of value, especially if the items don't have serial numbers. Register your electronic items and bikes with the Office of Public Safety.
• Inventory your personal property and insure it with personal insurance coverage.
• Backup your computer daily in case it gets stolen.
• Lock up bicycles using proper locking procedures and a good quality lock such as a U-lock available for a small charge from Office of Public Safety.
• Lock car windows and doors when leaving your car.
• If you know that you will be returning to your vehicle when it's dark outside, use well-lit parking lots or park under a streetlight.
• Do not leave valuables in your car. If you must, put valuables in your trunk prior to your arrival at your destination.
• Carry only those items of value that you need on your person; e.g. limit the amount of cash and the number of credit cards, and never carry your social security card in your purse or wallet.
• Never leave valuables (wallet, purses, books, laptops, etc.) unattended and unsecured – even for a bathroom break.
• Always lock the door to your residence hall room, whether or not you are there. Keep windows closed and locked when you are away.
• Do not leave messages on your door advertising your departure or arrival times. This alerts thieves to your absence.

Anyone with information about crimes or threats to the campus community should report the circumstances to the Office of Public Safety, by calling (406) 243-4000, or in person at the Public Safety Office, located in Physical Plant (just east of Washington Grizzly Stadium).

Emergency Telephone locations

The main UM campus has 17 emergency telephones (indicated by arrows). Pressing the call button on any of the emergency phones puts you in immediate contact with the Office of Public Safety and indicates your exact location. The phones glow green at night, and police encourage their use for any emergency. Additional phones not shown on this map are located at the College of Technology East and West; one each at Sisson, Craighead and Toole Villages; at Lewis and Clark Village; and at the South Dornblaser Park-N-Ride.

1. North end of the Adams Center
2. West end of the Anderson Hall
3. Entrance of the Performing Arts Building
4. West wall of the Social Sciences Building
5. East side of the Natural Sciences Building
6. Southeast corner of the Liberal Arts Building
7. Entrance of the Mansfield Library
8. Southeast corner of the Mansfield Library
9. North wall of the Science Complex
10. Breezeway of the Pharmacy/Psychology (Skaggs) Building
11. Rear of the Math Building
12. East entrance of the Lommasson Center
13. Between Duniway and Miller Halls
14. West of Turner Hall
15. Main entrance of Brantly Hall
17. Southwest corner of Skaggs Building addition
7. **CRIME STATISTICS COLLECTION**

In accordance with the Jeanne Clery Disclosure of Public Safety and Campus Crimes Statistics Act (the Clery Act) of 1998 and the Higher Education Amendments of 1992 and 2008, UM collects and publishes reports of crimes which occur on campus, off-campus, and off-campus sites owned or controlled by UM and/or recognized University organizations. UM prepares a three year statistical report of these reported incidents and provides this report to UM students and employees through publication on the UM website and specific notifications sent annually referring students and employees to the report.

The current reported crime statistics are found below and can also be accessed by going to the Department of Education's Security Statistics search site at [www.ope.ed.gov/security](http://www.ope.ed.gov/security) and to the UM Office of Public Safety website.

**a. CAMPUS SECURITY AUTHORITIES**

UM has designated the following positions as "Campus Security Authorities" and crimes reported to any persons in the stated positions will be included in the annual disclosure of crime statistics. It is important to note that all crimes reported are counted, regardless of the final disposition.

President and all Vice Presidents

Director of Public Safety
   Public Safety Officers
   Dispatchers

Dean of Students
   Coordinator, Office of Fraternity and Sorority Involvement (FSI)
   Director of Student Services, School of Law

Director of Residence Life
   Associate/Assistant Directors of Residence Life
   Resident/Assistant Resident Directors
   Head/Assistant Head Residents
   Custodial Supervisor
   Office Manager
   Administrative Associates

Director of Athletics
   Associate/Assistant Directors
   Head Coaches
   Assistant Coaches
   Athletic Trainers

Title IX Coordinator/EO Director

Director for Study Abroad and Student Exchanges
b. REPORTS TO CAMPUS SECURITY AUTHORITIES
Students, employees and visitors are encouraged to report crimes to the University police in the Office of Public Safety. However, students may contact a Campus Security Authority for appropriate assistance in reporting incidents. Confidentiality of reports made to Campus Security Authorities cannot be promised. There may be instances where the University needs to act regardless of whether the parties have reached a personal resolution or the complainant requests that no action be taken. In such cases, UM will investigate and take appropriate action, taking care to protect the identity of the complainant and any other reporter to the extent permitted by the circumstances surrounding the case and applicable law and regulation.

A Campus Security Authority who has been informed of an alleged incident will report the incident to the Office of Public Safety and to such other University officials, as appropriate, such as the campus Title IX Coordinator or the Dean of Students, to initiate any applicable investigative or other procedure.

8. CRIME STATISTICS REPORT

The Office of Public Safety prepares the Annual Campus Security and Fire Safety Report annually to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on the Office of Public Safety website at www.umt.edu/PublicSafety. This year's report reflects crime and fire statistics that were reported in calendar years 2010, 2011 and 2012. The University of Montana is required to report annual crime statistics showing reported occurrences of specific types of crime for the benefit of current and prospective students and employees.

The Office of Public Safety collects crimes statistics in cooperation with Missoula City and County law enforcement. The crime information contained in the report pertains to crimes on the UM Missoula campus as well as crimes that occur immediately adjacent to campus and crimes that occur in or on non-campus buildings or property that UM owns or controls. Examples of non-campus buildings include the recognized UM fraternity and sorority houses west of campus. The Department also works with the Dean of Students, Residence Life, Athletics, Title IX Coordinator and other offices on campus to collect statistics on Clery-reportable crimes and referrals for campus disciplinary actions, drug abuse, liquor law or weapons violations.
a. **DEFINITIONS**

**Campus** is defined as "any building or property owned or controlled by an institution of higher education within the same reasonably contiguous geographic area of the institution and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including student halls; and property within the same reasonably contiguous geographic area of the institution that is owned by the institution but controlled by another person, is used by students, and supports institutional purposes (such as a food or retail vendor)."

**Non-campus building or property** is defined as "any building or property owned or controlled by a student organization recognized by the institution; and any building or property (other than a branch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution's educational purposes, is used by students, and is not within the same reasonably contiguous geographic area of the institution."

**Public Property** is defined as "all public property that is within the same reasonably contiguous geographic area of the institution, such as a sidewalk, a street, other thoroughfare, or parking facility, and is adjacent to a facility owned or controlled by the institution if the facility is used by the institution in direct support of, or in a similar manner related to the institution's educational purposes."

b. **Criminal Offenses** are classified using the FBI Uniform Crime Reporting Handbook:

- **Murder/Non-Negligent Manslaughter:** the willful (non-negligent) killing of one human being by another.
- **Negligent Manslaughter:** the killing of another person through gross negligence.
- **Forcible Sex Offense:** Any sexual act directed against another person, forcibly or against that person's will. Includes forcible rape, forcible sodomy, sexual assault with an object, and forcible fondling.
- **Non-Forcible Sex Offenses:** Unlawful, non-forcible sexual intercourse. Includes incest and statutory rape.
- **Robbery:** the taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.
- **Aggravated Assault:** an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. It is not necessary that injury results from an aggravated assault when a gun, knife, or other weapon is used which could or probably would result in a serious potential injury if the crime were successfully completed.
- **Burglary:** the unlawful entry of a structure to commit a felony or a theft. For reporting purposes this definition includes: unlawful entry with intent to commit a felony; breaking and entering with intent to commit a larceny; safecracking; and all attempts to commit any of the aforementioned.
- **Motor Vehicle Theft:** the theft or attempted theft of a motor vehicle. (Classify as motor vehicle theft all cases where automobiles are taken by persons not having lawful access, even though the vehicles are later abandoned – including joy riding).
c. **Hate Crime** is defined as a criminal offense committed against a person or property which is motivated, in whole or in part, by the offender's bias. Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, religion, disability, sexual orientation or ethnicity/national origin. For Clery Act reporting purposes, hate crimes include any offense in the following list that is motivated by bias:

- Murder and Non-negligent manslaughter
- Forcible sex offenses
- Non-forcible sex offenses
- Robbery
- Aggravated Assault
- Burglary
- Motor Vehicle Theft
- Arson
- Larceny: The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another
• Vandalism: To willfully or maliciously destroy, injure, disfigure, or deface any public or private property, real or personal, without the consent of the owner or person having custody or control by cutting, tearing, breaking, marking, painting, drawing, covering with filth, or any other such means as may be specified by local law.
• Intimidation: To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.
• Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

9. CRIME REPORTS

a. CAMPUS CRIME LOG
The UM Office of Public Safety keeps a daily crime log that records crimes by their nature, date, time, general location, and disposition of the complaint. The crime log is available for inspection by the campus community or the public in the Office of Public Safety, Facilities Services Building, Room 136.

HATE CRIMES: There were no reported hate crimes for 2010 - 2012.

The above listed statistics may differ from previous publications of this data from year to year. These differences may be due to updates to the Higher Education Opportunity Act, title 20 U.S. Code Section 1092(f), the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics."

c. DISCLOSURE OF DISCIPLINARY PROCEEDING RESULTS FOR VIOLENT CRIME OR NON-FORCIBLE SEX OFFENSES

The University of Montana will disclose to the alleged victim of a crime of violence, or non-forceful sex offense, the results of any disciplinary proceeding conducted by the University against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, UM will provide the results of the disciplinary hearing to the victim’s next of kin.

II. EMERGENCY NOTIFICATIONS AND TIMELY WARNINGS

The Office of Public Safety is the department within the University responsible for issuing emergency notifications and timely warnings as more fully discussed below.

1. EMERGENCY NOTIFICATION

The University will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus. An immediate threat Encompasses an imminent or impending threat, such as a fire in a building, a national disaster, act of terrorism, or active shooter.

When a significant emergency or dangerous situation occurs, the Office of Public Safety coordinates with other first responders, which might include Missoula City Police, Missoula Fire, and UM Environmental Health and Risk Management to properly mitigate the threat to campus. Depending on the nature and size of the incident, other local, state and federal agencies might be called upon to assist.
When the Office of Public Safety confirms that a significant emergency or dangerous situation exists, it will take into account the safety of the campus community; determine what information to release about the situation; and begin the notification process. The only reason the University would not immediately issue a notification for a confirmed emergency or dangerous situation is if doing so will compromise efforts to: assist a victim, contain the emergency, respond to the emergency, or otherwise mitigate the emergency. An example of not compromising efforts to mitigate the emergency might be agreeing to a request of local law enforcement or fire department officials.

**a. EMERGENCY MASS COMMUNICATION STRATEGY**

In response to changing tactics of violent criminals and recent improvements in technology, the University of Montana has developed an emergency mass communication strategy to inform the community of significant emergency or dangerous situations.

This communication strategy has the ability to provide: (1) information about an emergency, (2) a location where more information can be obtained; and (3) method to recall or send an “All Clear” message. The emergency mass communication strategy consists of the following elements:

1. **LED MASS EMERGENCY NOTIFICATION SYSTEM**

The system consists of a radio transmitter capable of sending messages to wireless receivers. Since this is a stand-alone transmitter it does not depend on outside resources that can get filled beyond capacity during an emergency. The wireless receivers are LED signs with an audible alert to attract attention to the scrolling text. The University has 69 LED signs posted in strategic points around campus.

2. **CELL PHONE TEXT MESSAGE NOTIFICATION**

Students, faculty and staff may voluntarily subscribe to a cell phone text notification service operated by the Office of Public Safety for emergency notification purposes. Any student or employee may sign up for this free service through the students' or employees' Cyberbear account.

3. **E-MAIL NOTIFICATION**

The emergency notification system sends an email with emergency information to all ‘umontana’ e-mail addresses. The Office of Public Safety can also send message to a selected sub-group of email addresses, if the circumstances warrant.

4. **WEB PAGE BANNER**

The same email sent to "umontana" email addresses is automatically inserted into an “ALERT” banner on the main web page of the University of Montana. Additional space is available on this page for more specific information and a running log of events as incidents develop and more information becomes available.

5. **TWITTER**

Twitter Messages are posted to the Public Safety web page: [www.umt.edu/publicsafety](http://www.umt.edu/publicsafety)
When the Office of Public Safety confirms a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus, the Office of Public Safety will employ all of the above mentioned tools to alert the campus community. OPS will also summon local police and fire, if necessary. If the threat is not substantiated, OPS will still alert the campus community to a possible threat by posting a message on the LED reader board and on Twitter but local police or fire are not summoned.

b. EMERGENCY RESPONSE

UM has adopted emergency and evacuation policy and procedures. See UM Policy 202.6. The policy and procedures are posted on the Office of Public Safety website. UM will test its emergency response and evacuation procedures at least annually, through scheduled drills, exercises, and appropriate follow through activities designed to assess and evaluate emergency plans and capabilities. UM tests evacuation procedures in academic/office buildings and residence halls and family housing. The tests may be announced or unannounced. The tests are documented, including the date and time and whether it is announced or unannounced.

2. TIMELY WARNINGS

A timely warning is a notification to the campus community concerning the occurrence of a Clery reportable crime that poses a serious and continuing threat to the campus community. Timely warning messages may be sent out regarding arson, burglary, homicide, robbery, aggravated assault, a hate crime, sexual assault or other sexual offenses. Timely warnings are intended to heighten awareness and may also seek information that may lead to the arrest and conviction of the offender.

Upon receiving a report of a Clery crime on or near campus, the supervising Public Safety Officer on duty will communicate with at least two of the following: President, Vice President for Administration & Finance, Vice President for Integrated Communications, Title IX Coordinator, UM Legal Counsel, Clery Compliance Officer to jointly determine if the situation poses a serious and continuing threat to persons or property on the campus community. The content of a Timely Warning will take into consideration local law enforcement efforts. The Office of Public Safety will issue a Timely Warning as soon as possible but no later than 24 hours after a serious and continuing threat is established. The Office of Public Safety will notify local law enforcement before a Timely Warning is issued.

Depending on the particular circumstances, the Office of Public Safety may post a notice using any of the emergency mass communication tools outlined in II.1.a above, providing the University community with more immediate notification. In such instances, a copy of the notice may also be posted on the outside entry doors of residence halls, fraternity and sorority houses, and/or posting on bulletin boards in academic and residential buildings. Public Safety may also post notices on the UM home page and/or other sites where information will likely reach the campus community.
Follow up information on timely warnings will be provided on the Office of Public Safety website.

Anyone with information warranting a timely warning should report the circumstances to the Office of Public Safety, by calling (406) 243-4000, or in person at the Public Safety Office, located in Physical Plant (just east of Washington Grizzly Stadium).

III. SEX OFFENSE POLICY, PROCEDURES AND PROGRAMS

1. STATEMENT OF POLICY

The University is committed to providing its community members with an environment conducive to the pursuit of knowledge. Admission to the University carries with it the presumption that the students will conduct themselves as responsible members of the community, refraining from actions that would endanger the health, welfare or safety of others. The University has adopted a policy and procedures to address sex offenses. The policy is called the Discrimination, Harassment, Sexual Misconduct, Stalking and Retaliation policy.

I. Sexual misconduct is prohibited under this University policy. Sexual Misconduct includes sexual assault, inducing incapacitation for sexual purposes, sexual exploitation, and relationship violence.¹

A. Sexual Assault means an actual or attempted sexual contact with another person without that person’s consent. Sexual assault includes, but is not limited to:
   1. Involvement in any sexual contact when the victim is unable to consent.
   2. Intentional and unwelcome touching of, or coercing, forcing, or attempting to coerce or force another to touch a person’s intimate parts (defined as genital area, groin, inner thigh, buttocks, or breast).
   3. Sexual intercourse without consent, including acts commonly referred to as “rape.”

Consent is informed, freely given, and mutual. If coercion, intimidation, threats, or physical force are used there is no consent. If a person is mentally or physically incapacitated or impaired so that such person cannot understand the fact, nature or extent of the sexual situation, there is no consent; this includes impairment or incapacitation due to alcohol or drug consumption, or being asleep or unconscious. There is no consent when there is force, expressed or implied, or use of duress or deception upon the victim. Silence does not necessarily constitute consent. Past consent to sexual activities does not imply ongoing future consent. Whether an individual has taken advantage of a position of influence over an alleged victim may be a factor in determining consent.

¹ While sexual assault and other sexual misconduct is often considered a subset of “sexual harassment,” for purposes of this policy and the consequences that may result from violating this policy, the terms are distinct.
B. *Inducing incapacitation for sexual purposes* includes using drugs, alcohol, or other means with the intent to affect or having an actual effect on the ability of an individual to consent or refuse to consent (as “consent” is defined in this policy) to sexual contact.

C. *Sexual Exploitation* occurs when a person takes non-consensual or abusive sexual advantage of another for anyone’s advantage or benefit other than the person being exploited, and that behavior does not otherwise constitute one of the preceding sexual misconduct offenses. Examples of behavior that could rise to the level of sexual exploitation include:

- Prostituting another person;
- Non-consensual visual (e.g., video, photograph) or audio-recording of sexual activity;
- Non-consensual distribution of photos, other images, or information of an individual’s sexual activity, intimate body parts, or nakedness, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
- Going beyond the bounds of consent (such as letting your friends hide in the closet to watch you having consensual sex);
- Engaging in non-consensual voyeurism;
- Knowingly transmitting an STI, such as HIV to another without disclosing your STI status;
- Exposing one’s genitals in non-consensual circumstances, or inducing another to expose his or her genitals;
- Possessing, distributing, viewing or forcing others to view illegal pornography.

D. *Relationship Violence* is abuse or violence between partners or former partners involving one or more of the following elements:

- Battering that causes bodily injury;
- Purposely or knowingly causing reasonable apprehension of bodily injury;
- Emotional abuse creating apprehension of bodily injury or property damage;
- Repeated telephonic, electronic, or other forms of communication -- anonymously or directly -- made with the intent to intimidate, terrify, harass, or threaten;

II.  *Stalking* includes repeatedly following, harassing, threatening, or intimidating another by telephone, mail, electronic communication, social media, or any other action, device or method, that purposely or knowingly causes substantial emotional distress or reasonable fear of bodily injury or death.

III. *Retaliation* is action taken by an accused individual or an action taken by a third party against any person because that person has opposed any practices forbidden under this policy or because that person has filed a complaint, testified, assisted, or participated in any manner in an investigation or proceeding under this policy. This includes action taken against a bystander who intervened to stop or attempt to stop discrimination, harassment, or sexual misconduct. Retaliation includes intimidating, threatening, coercing, or in any way discriminating against an individual because of the individual’s complaint or participation. Action is generally deemed retaliatory if it would deter a
reasonable person in the same circumstances from opposing practices prohibited by this policy.

Off Campus Conduct
The policy applies to off campus conduct. Allegations of off-campus sexual misconduct involving students are of particular concern and should be brought to the University’s attention.

Filing a University Complaint
In addition to options for criminal reporting as described in Section I. above, the University offers procedures for reporting sexual misconduct to the campus Title IX Coordinator in the Equal Opportunity Office ("EO"). Reports may be made via several avenues:

- By calling the EO office at (406) 243-5710 and leaving a private voice message;
- By sending a confidential email to one of the EO staff at eoaa@umontana.edu;
- By filing a complaint or report on the form contained on the EO website: www.umt.edu/eo/;
- By mailing a letter to the EO office at University Hall, 020, Missoula MT 59812; or
- By visiting one of the EO staff in University Hall.

Upon receiving a report, the EO will take steps, either directly or through a reporting employee, to provide information about the University’s Discrimination Grievance Procedures (available online at www.umt.edu/eo/documents/discriminationprocedures.docx), as well available health and advocacy resources and options for criminal reporting. The Title IX Coordinator/EO Director will also ensure that interim measures are taken to ensure the safety of the survivor and that the survivor’s educational experience is not jeopardized. Interim measures may include changing academic and living situations, obtaining no-contact order, helping with a referral to a counselor. The EO will also take and address reports of retaliation.

Mandatory Employee Reporting
In order to enable the University to respond effectively and to stop instances of sexual misconduct involving students at the University proactively, all University employees must, within 24 hours of receiving the information, report information they have about alleged or possible sexual misconduct involving students to the Equal Opportunity Office/Title IX Coordinator ("EO"). Employees who are statutorily prohibited from reporting such information are exempt from these reporting requirements, including licensed health-care professionals.

Upon receiving a report of alleged or possible sexual misconduct, the EO will evaluate the information received and determine what further actions should be taken. The EO will follow the procedures described in the Discrimination Grievance Procedures. The EO will take steps, either directly with the Complainant or through a reporting employee, to provide information about the University’s Discrimination Grievance Procedures, as well as available health and advocacy resources and options for criminal reporting.

Sanctions
Violations of this policy will be addressed through the Discrimination Grievance Procedures. The Dean of Students is charged with imposing sanctions on students who are found to have
violated the policy. Sanctions may include eviction from campus housing, suspension, expulsion, probation, a warning, or any other sanction set forth in the Student Conduct Code at Section VI.C. Disciplinary records for policy violations are maintained in the same manner as other disciplinary records, as described at Section VI.F. of the Student Conduct Code. Both the accuser and accused will be informed of the outcome of any institutional disciplinary action brought alleging a sex offense.

**Amnesty for Drug or Alcohol Possession and Consumption Violations**
The University strongly encourages students to report instances of misconduct involving students. Therefore, students who report information about sexual misconduct involving students will not be disciplined by the University for any violation of the University's drug or alcohol possession or consumption policies in which they might have engaged in connection with the reported incident.

### 2. WHAT TO DO IF YOU ARE SEXUALLY ASSAULTED

#### a. PERSONAL SAFETY OPTIONS

If you are sexually assaulted, resources are available on and off campus to help you. It is important to preserve evidence in case you decide to press charges. If you are raped or sexually assaulted on campus:

- Get to a safe place as soon as you can.
- Try to preserve all physical evidence. Do not wash, use the toilet or change clothing if you can avoid it. If you do change clothes, put all clothing you were wearing at the time of the attack in a paper bag (no plastic bags).
- You have the option to notify law enforcement. Call either the Missoula City Police by calling 911 or the University Office of Public Safety at (406) 243-4000.
- Get medical attention as soon as possible to make sure you are physically well and to collect important evidence in the event you may later wish to take legal action. University police can arrange for immediate transport to First STEP, a rape counseling service provided free of charge at St. Patrick's Hospital. First STEP provides medical care and evidence collection for victims of sexual assault, in a safe and private environment, 24 hours a day. (406-329-5776). Nurses are trained to collect evidence, administer medication for the prevention of STDs and pregnancy and provide information and referrals. If an individual thinks that he or she has been drugged, First STEP will provide toxicology testing. All evidence can be stored for up to one year. Going to First STEP does not trigger a law enforcement or university report of sexual assault. SARC counselors partner with FirstSTEP and are available to go with you. (243-6559)
- Talk with an advocate or a counselor serving in a professional role in which communication is privileged under Montana law (e.g. medical providers, licensed professional counselors, rape crisis counselors), who can help explain your options, give you information, and provide emotional support. On campus, the Student Advocacy Resource Center (SARC)
provides confidential counseling services to UM students who have experienced sexual or relationship violence, stalking or harassment (406-243-6559).

- Curry Health Center (CHC) Medical Clinic is available to UM students (406-243-2122). CHC can assist with most medical concerns, including pregnancy and STD testing following an assault. CHC does not collect evidence in cases of sexual assault. Going to CHC does not trigger a report of sexual assault.

Additional information about reporting options and resources is available at www.umt.edu\sexualmisconduct.

3. EDUCATIONAL AND AWARENESS PROGRAMS

The University of Montana recognizes the need to prevent sexual misconduct, stalking and retaliation, including sexual assault and relationship violence. Various campus departments and organized groups coordinate events, provide programs, and disseminate materials addressing violence prevention and risk reduction. These offices include the Student Advocacy Resource Center (SARC), Student Wellness, Dean of Students, the Women’s Center, Public Safety, and Residence Life.

Violence prevention encompasses multiple strategies designed to reduce the occurrence of sexual and relationship violence and stalking. Prevention strategies involve empowering the campus community to examine, question, and change the social, cultural, political, and environmental factors that influence an individuals’ behavior contributing to violence. Prevention activities focus on individuals and groups at increased risk for perpetration of violence or victimization as well as working to empower bystanders to intervene in the early stages of interpersonal violence. Risk reduction strategies involve skills training to increase awareness of potentially harmful situations, increase individual confidence, and foster protective behaviors. The University of Montana does not believe, however, that risk reduction can take the place of primary prevention.

The University considers education to be a primary defense against discrimination, harassment, sexual misconduct, stalking and retaliation. The University Title IX Coordinator/EO Director and the Dean of Students have received detailed training about best practices to identify, investigate, and work to address instances of sexual violence against University students. The University provides anti-discrimination training to all new employees which includes training about sexual misconduct concerning students.

Each summer the Student Advocacy Resource Center (SARC) and Student Wellness participate in hours of training for Resident Assistants. Presentations include SARC services, interpersonal violence, alcohol, healthy relationships, how to support students in crisis, and other pertinent training. Summer training includes conversations and education based workshops around specific topics including sexual assault and domestic violence.

Students may become peer educators (PRO) by taking a 3 credit class, “Introduction to Peer Health Education,” that addresses health topics impacting college students like alcohol, safer
sex, healthy relationships, mental health, suicide prevention, stress management, and sexual violence.

Each year SARC trains 15-20 advocates to provide advocacy services and education. These students help run the day to day services at SARC and they help design education and participate in outreach events.

Educational efforts and discussions around both sexual assault and alcohol begin for all students when they first visit the campus as part of orientation and then on a continued basis as described below. These programs are continually reinforced throughout the year by media campaigns, outreach events, Health Nut electronic magazine, and other presentations in the residence halls and fraternity and sorority houses. Specific educational outreach efforts are described below:

**Mandatory Online Tutorial – PETSA**
Every student at UM is required to take an on-line tutorial called "Personal Empowerment through Self-Awareness." The tutorial provides information about UM policies and procedures prohibiting sexual misconduct; information about the risks posed by drugs and alcohol; information about bystander intervention; and detailed information about consent.

**Orientation “Slice of Life” Skits**
The skits presented by the UM Advocates at summer orientations address alcohol, sexual assault, and campus resources. Presentations by Student Affairs staff after the skits address these topics with parents while Advocates discuss them with the students.

**Mandatory Sexual Assault and Sexual Misconduct Programs for Residence Halls**
SARC and PROs (Peers Reaching Out) join together to present programs in each Residence Hall during the first month of school. These provide education regarding resources, personal safety, consent, and bystander intervention. Men’s and women’s programs are presented separately.

**Beer Goggles**
A multimedia presentation created by Student Wellness that addresses alcohol use, relationships, sexual assault, and SARC services is presented to freshmen during the first 2 weeks of school. This program has been presented at national conferences and received rave reviews. It includes live performances by students telling personal stories.

**Classroom Presentations**
Both SARC and Student Wellness provide classroom presentations throughout the year.

**Dating 101 for International Students**
For the last two years SARC has coordinated this student panel to talk with International students about dating and American culture.

**PRO Residence Hall Programs**
Programs that include information on alcohol, healthy sexuality and/or sexual assault and sexual misconduct prevention are available by request from the peer educators. Programs addressing these topic areas are also included as part of the Wellness Series offered by the peer educators (PROs).
**Professional Speakers**

Each year SARC and Student Wellness join with other departments on campus to bring in a professional speaker. Past presentations include: “Sex Signals,” “the Dating Doctor,” and “Jay Friedman – A Sex Educator Tells All.” This year scheduled speakers included Cindy Pierce whose presentation focused on healthy relationships and Jackson Katz who is a leading scholar on the topic of gender violence prevention and critical media literacy. Victoria Banyard also spoke at a President’s Lecture series about sexual assault as a societal problem in America.

**Men Can Stop Rape (MCSR)**

MCSR is a national group which provided on-campus training in March 2012. As a result, efforts are in place to organize and train students to engage men in violence prevention efforts. Efforts are also underway to train faculty and staff to enable incorporation of prevention materials into more courses.

Education is also achieved through various media campaigns. Both SARC and Student Wellness produce print and electronic media poster campaigns to inform students about services, interpersonal violence, and alcohol use and abuse. Every UM student receives Health Nut which is a monthly electronic magazine. It addresses a variety of topics including alcohol use, sex, relationships, sexual assault, and bystander intervention. Advertisements are placed in the University student newspaper, the Montana Kaimin, and the local weekly newspaper, the Missoula Independent, about SARC services and events. Public Service Announcements about SARC services are placed on the University student radio station: KBGA. Student Wellness has a contract with several radio stations for PSAs on safe alcohol use, MIPs, and DUIs. The Booze Brothers Campaign is an ongoing media campaign addresses safe partying strategies, alcohol poisoning, MIPs and DUIs, and protective strategies. Print ads, posters, YouTube videos, and personal appearances by the Booze Brothers around campus reinforce the safe partying messages in a fun interactive format.

**University Council on Student Assault**

The University Council on Student Assault examines issues regarding campus policies and procedures addressing student assault. It conducts confidential case reviews (personally identifiable information is eliminated) of reports of sexual misconduct each semester to identify patterns or areas in which the University can improve its response and prevention efforts.

4. **DOMESTIC RELATIONSHIP VIOLENCE**

a. **If you are in an abusive relationship**

You have choices. Remember, no one deserves to be abused; it is not your fault. The following are recommendations to assist you in dealing with this crime. You can:

- Seek medical attention for any injuries; visit Curry Health Center or a hospital, or consult a private physician; ask your physician about documenting your injuries
- Find someone you can safely talk to about the situation, such as a friend, family member, and/or contact support services such as SARC or the YWCA for more information or support; services can be provided anonymously and you do not have to give your name; an advocate or counselor will talk with you about your options and
rights, and offer you any referrals you may need. SARC 24-hour support line: 406-243-6559 ~ YWCA 24-hour crisis line: 406-542-1944

- Report abuse to law enforcement or to the University's Title IX Coordinator/EO Director
- Obtain a Temporary Order of Protection; for assistance, contact the Crime Victim Advocate Office (406-830-3830; www.co.missoula.mt.us/opgweb/Grants/CVA.htm
- Develop a safety plan
- Speak with a University counselor; for an appointment, contact SARC or Counseling Services (406-243-4711) located at the Curry Health Center
- keep the number of your local support line somewhere safe and accessible (243-6559)

b. If you are being stalked

You have choices. Early intervention is critical. Most stalking does not end on its own. Recognizing stalking behavior is the first step. Many people minimize the seriousness of stalking, assuming that the stalker has poor social skills or misplaced romantic notions. There are several signs that indicate stalking behavior. Trust your feelings. The following are recommendations to assist you in dealing with this crime. You can:

- Develop a safety plan (assistance is available through SARC 243-6559)
- Develop a network of support, such as resident assistants, friends, family, or SARC advocates
- Clearly state that you are not interested in the attention of the stalker and that you want the behavior to stop
- Develop documentation of stalking incidents (assistance is available through SARC)
- Report the behavior to law enforcement
- Obtain a Temporary Order of Protection; for assistance, call SARC (406-243-6559) or the Crime Victim Advocates office (406-258-4630);
- Contact law enforcement, SARC or the YWCA for assistance
- Keep the number of your local support line somewhere safe and accessible SARC 24-hour support line: 406-243-6559 ~ YWCA 24-hour crisis line: 406-542-1944.
- Contact support services such as SARC or the YWCA for more information or for support; you do not have to give your name; a counselor or advocate will talk with you about your options and rights, and offer you information about referrals you may need.

IV. ALCOHOL AND ILLEGAL DRUGS POLICY

1. INTRODUCTION

The University of Montana is committed to a campus community environment that promotes the health, safety, personal development and academic success of students, faculty and staff. The Drug-Free Schools and Communities Act Amendments of 1989 prohibit, at a minimum, the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees on school and campus property or as part of any school or campus activity.
The possession, sale or service of alcohol on UM campus is governed by Montana state law, Board of Regents and UM Alcohol Policies. However, the primary responsibility for enforcement of alcohol laws is the Office of Public Safety.

2. STANDARDS OF CONDUCT
The University of Montana is an environment where unlawful possession, consumption, use or distribution of illicit drugs and alcohol by students and employees on campus property is prohibited.

The University of Montana's standards of conduct prohibit the unlawful possession, use, distribution, or sale of alcohol or other drugs on institutional property. See Section VI. A11 of the Student Conduct Code; UM Policy 406.1.

3. ALCOHOLIC BEVERAGES
Except as expressly permitted, consumption of alcoholic beverages on University property is prohibited by the Board of Regents and UM Alcohol Policy. Alcohol may be consumed by students and their guests in individual residence hall rooms or in individual University Villages and Lewis and Clark Village units, provided such consumption is in compliance with state laws, the Student Conduct Code, and relevant Residence Life and University policies. Alcoholic beverages may not be consumed in hallways, lounge areas, utility rooms, or other areas of residence halls, or in any other campus locations. Keggers and parties involving large amounts of alcoholic beverages are prohibited in residence hall rooms and individual Village units.

a. SERVICE OF ALCOHOLIC BEVERAGES
The sale and/or service of all alcohol beverages must be provided through University Catering Services, including donated alcohol. No event involving the service of alcoholic beverages may take place on campus without the prior written approval of the University president or the president’s designee.

The following restrictions apply:
- Consumption of alcohol shall be in connection with a substantive event, such as a banquet, official entertainment or reception and only when food and non-alcoholic beverages are also available.
- Alcohol may only be served by UM Catering Services in approved locations. Contact UM Catering Services (406-243-4899) for scheduling.
- Sale of alcohol by UM-contracted, licensed vendor only. Sale of a ticket to an event where complimentary alcohol is served is considered a sale of alcohol. Contact UM Catering Services (406-243-4899) for scheduling of alcohol vendor.
- All servers must be trained in an authorized alcohol service program (“TIPS” trained).
- Servers may not consume alcohol during the event.
- The service of alcoholic beverages must be monitored to prevent: excessive consumption; service to a person not of legal age.
- Unreasonable or irresponsible conduct or violation of any regulation or noncompliance with any limitation outlined herein justifies discontinuance of the event and subsequent denial of University service and facilities.
- No service or sale of alcohol to persons who are intoxicated or disorderly will be allowed.
b. **TAILGATE PARTIES**
In conjunction with University of Montana home football games, tailgate parties in the University’s parking lots and fields near Washington-Grizzly Stadium are permitted.

**THE FOLLOWING RESTRICTIONS APPLY:**
- Alcohol service may begin no earlier than two hours prior to kick-off.
- Alcohol service and consumption is prohibited after half-time.
- Tailgate parties are to be private parties only. Individual(s) hosting the party who fail to adhere to this requirement will be subject to possible sanctions by UM Intercollegiate Athletics and the Missoula County Health Department.
- Tailgate party hosts must monitor service of alcohol and may not serve alcohol to minors (under age 21). Unattended alcohol will be confiscated.

c. **FRATERNITIES AND SORORITIES, OFFICE OF FRATERNITY AND SORORITY INVOLVEMENT**
The possession and consumption of alcoholic beverages at men’s and women’s chapter houses and functions must conform to policies established by the Board of Regents and the University of Montana; The Fraternity and Sorority Mutual Relationship Agreement, their national chapters, local ordinances, and state and federal laws.
- With limited exceptions, as defined in the Fraternity and Sorority Mutual Relationship Agreement, consumption of alcoholic beverages in the common areas of fraternity residences is prohibited.
- Members of legal drinking age may store and consume alcoholic beverages in the privacy of their own rooms.
- At any event where alcohol is served, trained alcohol servers must be used to ensure that alcoholic beverages are not accessible or served to anyone under the legal drinking age, or to anyone who appears to be intoxicated, regardless of age.
- The Fraternity and Sorority Mutual Relationship Agreement can be found online at: [http://life.umt.edu/fsi/docs/Important_Documents/Relationship_Agreement.doc](http://life.umt.edu/fsi/docs/Important_Documents/Relationship_Agreement.doc).

d. **UNIVERSITY-RECOGNIZED CLUBS, ORGANIZATIONS, AND CAMPUS EVENTS**
Possession and consumption of alcoholic beverages by University clubs, organizations, and campus events, must conform to local ordinances, state and federal laws, and policies established by the Board of Regents and the University of Montana.
- All events, except for tailgate parties, held on University property that involve the service of alcoholic beverages must be scheduled with University Catering Services.
- Club or organizational funds may not be used to buy alcoholic beverages. Each club or organization shall adhere to the University’s alcohol risk management guidelines.
- Violations of University alcohol regulations are also violations of the University of Montana Student Conduct Code. Violators are subject to disciplinary action pursuant to the Code. The University, including ASUM, may deny privileges to a student organization or impose other sanctions for alcohol violations.
e. **OFF-CAMPUS USE OF ALCOHOLIC BEVERAGES BY UNIVERSITY-RECOGNIZED STUDENT ORGANIZATIONS**

Student officers or officials of University-recognized student organizations must meet with the organization’s faculty advisor to ensure the organization’s risk management plan adheres to University alcohol policies and risk management guidelines.

A University-recognized student organization that sponsors any gathering, meeting or other activity off-campus that involves alcoholic beverages must meet the same requirements that apply to on campus events, as well as the following:

- All alcohol beverages served at events off University property must be served by a licensed alcohol vendor or University Catering.
- The service of donated alcohol at UM-sponsored events off University property is prohibited unless served by a licensed alcohol vendor, in the case of alcohol sales, or by trained servers.
- Students who organize and participate in this type of an event assume the responsibility for serving alcohol and monitoring its use in accordance with local ordinances, state and federal laws, and Board of Regents and University of Montana policies.
- University-recognized student organizations may not apply for a special permit from the State of Montana Liquor Division.
- Violations of University alcohol regulations are also violations of the University of Montana Student Conduct Code. Violators are subject to disciplinary action pursuant to the Code. The University, including ASUM, may deny privileges to a student organization or impose other sanctions for alcohol violations.

f. **ALCOHOL RISK MANAGEMENT GUIDELINES**

Risk management guidelines are intended to help safeguard the University community against potential harm and exposure to legal liability. Therefore, it is imperative that policies are consistently enforced and the following strategies be incorporated into planning and implementing events.

- Alcohol-free events should be promoted.
- Alcoholic beverages must not be served to minors.
- Drinking competitions are prohibited. Activities promoting forced consumption of alcohol are not allowed and could subject those individuals providing alcohol to civil liability.
- Service must be refused to anyone who appears to be intoxicated.
- Access to the event must be controlled. A plan must be implemented for controlling and limiting the quantity of alcohol served.
- The Office of Public Safety must be informed prior to an on-campus event that involves the service of alcoholic beverages.
- Safe transportation to and from events should be encouraged and/or provided, including a designated driver program.
- Alcohol may not be the focus of the event. The amount of alcohol may not be used as an inducement to attend or participate in an event, and event promotional material may not make reference to the amount of alcohol available for consumption.
- Alcoholic beverages are not to be provided as free awards to individual students or campus groups.
g. ALTERNATIVE TRANSPORTATION OPTIONS
Home Safe Missoula is a non-profit corporation that provides free cab rides home to tavern patrons who have consumed alcohol and feel that they are unable to get themselves home safely. They may ask the bartender and receive a $10.00 voucher for a taxicab ride home. The program serves virtually all of Missoula’s major residential districts. For a listing of licensed establishments and restaurants that provide the Home Safe Missoula service, call (406) 203-4121. For more information, go to

ASUM Transportation provides UDASH, a free late night bus service that runs every half hour from campus to Lewis & Clark, back to campus and then downtown. See www.umt.edu/asum for route schedule.

Student Wellness works with the Missoula DUI Task Force and local bars to coordinate and promote a designated driver program. Through this program Designated Drivers receive a wristband and are served free soda for the evening. At the end of the evening they turn in the wristband to be entered in a drawing to win $100 in gas money, donated by Hi Noon’s Petroleum. The DD’s server also wins $50 in gas money, which helps servers to promote the DD program.

UCallUs is a non-profit, community-based Designated Drivers program that is supported by donations. Call (406) 880-1673 to arrange for transportation to get home safely, as well as to return to your car the following day.

The University's complete Alcohol Policy can be found online at: www.umt.edu/Policies/200-FacilitiesProperty/alcohol.aspx

4. ILLEGAL SUBSTANCE POLICY
The University of Montana campus has been designated "Drug free" and only under certain circumstances is the consumption of alcohol permitted. The possession, manufacture, sale, or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the UM Office of Public Safety. Violators are subject to potential disciplinary action by the University under the Student Conduct Code, criminal prosecution, fine and/or imprisonment.

a. MEDICAL MARIJUANA
Although Montana state law permits the use of medical marijuana, i.e. use by persons possessing lawfully issued medical marijuana cards, federal laws prohibit marijuana use, possession and/or cultivation at educational institutions and on the premises of other recipients of federal funds. The use, possession or cultivation of marijuana for medical purposes is therefore not allowed in University of Montana housing or on any other University of Montana property; nor is it allowed at any University-sponsored event or activity off campus.

5. SUBSTANCE ABUSE EDUCATION
a. **ALCOHOL AND SUBSTANCE ABUSE**

The Student Wellness office and the Student Advocacy Resource Center (SARC) coordinate a multimedia violence prevention program entitled “Beer Goggles” every fall for all first-year students. The offices also create or purchase positive, inclusive, and empowering marketing materials to promote safe and healthy relationships as a campus norm.

b. **BEHAVIORAL OPTIONS**

The Behavioral Options program educates and motivates students to address high-risk behaviors associated with heavy alcohol or other drug use. Services include two intervention programs and outpatient counseling, individual and group. Students caught violating the Student Conduct Code and/or other University policies regarding substance use are sanctioned to attend the Behavioral Options program. Call (406) 243-2290 for additional information.

Educational videos and books about substance abuse are available through Instructional Media Services (IMS). Pamphlets with information about many aspects of substance abuse are available in the SOS office at the Curry Health Center.

c. **SELF HELP GROUPS**

Twelve Step groups are frequently offered within walking distance of campus. On occasion they are also offered on campus in the University Center during the academic year.

Enjoying Life Sober is an ASUM student group that organizes social opportunities for those who desire to socialize substance-free. They also host “Students in Recovery,” a support group for those who wish to meet other students recovering from addictions. Call the SOS program at (406) 243-2290 for information.

d. **STUDENT WELLNESS**

The Department of Student Wellness at the Curry Health Center helps students identify and develop healthy behaviors now and in the future. Interactive educational programs and social marketing campaigns that address safe and legal use of alcohol are priorities for the department. Student Wellness works collaboratively with many departments on campus to implement comprehensive strategies to impact the college drinking culture. These strategies include consistent enforcement of related laws and policies, alcohol-free alternative events, and risk-reduction strategies to help students who choose to drink, do so safely and responsibly.

e. **PEER EDUCATORS – PEERS REACHING OUT (PROS)**

Peer Educators provide educational programming, individual outreach, student referrals, and input at Drug and Alcohol Advisory Committee (DAAC) meetings. Programs are designed to help students explore life choices and associated risks they face in common social settings that often involve alcohol. Call the Curry Health Center Student Wellness Office at (406) 243-2809 for more information.

6. **ENFORCEMENT / SANCTIONS**
Individuals who violate University policies, city ordinances, state, and/or federal laws are subject to disciplinary action according to the University of Montana Student Conduct Code, the University of Montana Fraternity and Sorority Mutual Relationship Agreement and personnel policies, and/or criminal prosecution. Specific ordinances regarding violations of alcohol and illegal drug laws, including impaired driving, are available from the Office of Public Safety.

Student disciplinary sanctions may include warning, probation, suspension, expulsion, restitution, denial of degree, revocation of degree and/or attendance at educational and/or counseling programs. Employee sanctions may include disciplinary measures up to and including termination.

Criminal sanctions, regardless of status, may include jail, probation, mandatory counseling and/or education, fines, and suspension or revocation of driving privileges. Any potential criminal proceedings and consequences for alleged violations of local, state, or federal laws occur separately and independently from administrative disciplinary actions that may be taken by the University.

Groups displaying unreasonable or irresponsible conduct or who violate this university Alcohol / Illegal Drugs policy will jeopardize continuance of the University-recognized or supported event and access to University service and facilities.

**Risk To Federal Financial Aid**

Financial aid of any kind can be suspended due to a state or federal drug related offense. If a person is convicted of possession of a controlled substance, the person’s financial aid eligibility can be suspended for up to one year. A second conviction can suspend financial aid eligibility for up to two years. A third or subsequent conviction suspends financial aid eligibility indefinitely. The penalties for convictions of selling controlled substances are more severe.

**V. MISSING STUDENTS POLICY**

If a member of the University community believes a residential student is missing, they should inform the residence hall staff, who will notify the Director of Residence Life. Upon notification, the Residence Life staff will investigate the situation. If the student is not located, all information will be turned over to the Office of Public Safety within 24 hours from the original report so an official investigation can occur. In the event that information is turned over to the Office of Public Safety and a student is missing for over 24 hours, Missoula City Police Department will also be notified (unless the Missoula City Police Department was the entity that made the determination that the student is missing).

Students residing in University of Montana housing are required to provide contact information for an individual the student would like informed in the event they are missing. Students are informed that the information will be registered strictly confidentially and will be accessible only to appropriate University personnel or law enforcement for the purpose of an active missing person investigation. If at any point in the year a student would like to update or
change their missing person contact information, they should contact the Residence Life Office at (406) 243-2611.

- If the student has designated an emergency contact person, the University will notify that contact person within 24 hours that the student is missing.
- If a student is under the age of 18 and not emancipated, the University will notify the student's custodial parent or guardian and any other designated contact person within 24 hours that the student is missing.
- Regardless whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, the University will notify local law enforcement within 24 hours that the student is missing.

VI. WEAPONS POLICY

The possession or use of any firearm, ammunition, explosive devices or any unlawful weapon of any kind is not permitted on University property or in University facilities except within University procedures. Students living in residence halls must register the weapon with the Office of Public Safety and follow mandatory requirements for possession. Weapons cannot be stored within Residence Halls for any period of time. All other requests to bring weapons on to University property must be submitted to the Office of Public Safety prior to the event. See UM Policy 202.3. Weapons policy procedures are available online at www.umt.edu/publicsafety/docs/Procedures/Weapons.pdf.

VII. FIRE SAFETY REPORT

1. FIRE SAFETY POLICY
The Higher Education Act of 2008 requires disclosure of fire safety standards and measures for on-campus student housing facilities. This report includes fires statistics for the three most current years, the fire safety systems installed in each housing building, number of fire drills supervised each year, policies on ignition sources (smoking, open flame, portable electrical appliances, etc.) procedures for fire evacuation and policies on fire safety education and training.

The University's policies on fire safety and emergency procedures in residential facilities can be found online at the Residence Life Office website.

2. REPORTING FIRES AND OTHER EMERGENCIES
If evacuation is needed, pull the fire alarm. Report all emergencies to the Office of Public Safety by calling (406) 243-4000 or by calling 911. Give the operator your name, department, location, and nature of incident. Stay on the line until the operator hangs up.

3. FIRE EVACUATION GUIDELINES
Should you discover smoke or fire or hear the fire alarm you should do the following.
- Call the Office of Public Safety at (406) 243-4000.
- Pull the fire alarm, if it is not already sounding.
• Notify other people.
• Immediately leave the building by means of the nearest available exit.
• Before opening the door, see if it is hot by placing the palm of your hand against it.
• If the door is hot, remain in the room.
• If you are on a ground floor, carefully exit through a window, if possible. If you are on an upper floor, call 911 and give the operator your location. Block the entrance from smoke and heat. Open the window. Do not exit onto ledges. Remain calm. Firefighters will assist you as soon as possible.
• If the door is cool, open the door slightly and check for smoke in the corridor.
• If the corridor is smoke-free, proceed to the nearest available exit (exterior door or stairwell). Stay low, near the floor, to avoid smoke and heat. Close doors behind you. If the corridor is too smoky to reach the stairway or an exit, remain in the room. If you have evacuated the building, get clear of the entire area.

4. FIRE SAFETY POLICIES IN THE RESIDENCE HALLS

Cooking Appliances
Cooking appliances are not allowed in the halls except for coffee pots and popcorn poppers. In hall kitchens baking can be done, but the cooking of meals or meat is prohibited. No appliances with open elements or George Foreman grills are allowed.

Candles and Incense
Candles and Incense have been found to be a severe fire hazard, and their use is prohibited in the residence halls. Wickless candles are a nice alternative to have the fragrance without the flame.

Halogen Lamps, Lights, Electrical Safety
The Consumer Product Safety Commission issued a warning about the dangers of halogen lamps and the excessive operating temperatures of 970 to 1200 degrees F that they produce. Curtains, clothing, paper items and so forth burn quickly when they come in contact with 300W or 500W bulbs. Therefore, light bulbs greater than 150W, either incandescent or halogen, are not allowed. Additionally, do not overload outlets. Use extension cords and/or surge protectors that are UL rated and have fire shield capabilities.

Decorations and Room Arrangement
Students are free to display posters and other things in their room except on the ceiling, including on either side of their door and inside of their window. All natural trees and branches used as ornamentation in residence halls or rooms must first be fireproofed and all tree decorations must be nonflammable. When residents are arranging their rooms, they cannot place articles on or push beds up against radiators.

Flammable Liquids
Gasoline, kerosene, alcohol, cleaning fluids, etc., constitute a serious danger and are prohibited in residence halls, as are vehicles containing such fluids.

Smoking
Consistent with the University’s Tobacco Free policy, all Residence Halls are "No Smoking" in all areas including student rooms. Smoking and the use of tobacco products (ex. chew, snuff, etc.) are not allowed in any area, including study rooms, restrooms, hallways, stairways,
lobbies, elevators, lounges, student rooms, etc. Students are expected to abide by the Tobacco-Free Campus Policy.

**Health and Safety Inspections**
The student staff performs health and safety inspections three times during the academic year. Each resident room is inspected to identify potential fire hazards and other safety concerns. The staff also checks for general cleanliness to ensure a healthy living environment.

**Residence Hall Evacuation and Reporting Procedures**
If a resident, employee, or guest of our halls discovers a fire and the general fire alarm has not activated, please activate the nearest pull station by lifting the plastic cover (a pre-alarm will sound) and pulling the handle down. When the general fire alarm for a residence hall sounds, everyone must evacuate the building immediately via the closest emergency exit. Residents must proceed in an orderly fashion by walking quickly to the emergency egress routes and out of the building. Elevators cannot be used as emergency egress routes. Students with disabilities who cannot egress the building should go to the nearest safe area of rescue and activate the area of rescue signal. Emergency personnel will come to this area and assist the student from the building. Once outside, people must move at least 25 feet from the building to allow room for emergency vehicles and personnel to work. During inclement weather students will be moved inside to other buildings during the emergency situation. Do not re-enter the building until instructed to do so by a Residence Life Staff member or the on-scene emergency personnel.

If a student, employee, or guest is aware that a fire occurred in the building, even after it has been extinguished, they need to notify the Residence Life staff. They can notify their Resident Assistant/Community Assistant/Village Assistant, Hall Administrative Assistant, or the staff in the main Residence Life Office in 101 Turner Hall.

**Training for Residence Life Staff and Students**
All Residence Life student staff members at the University of Montana attend a fire safety equipment walk with our departmental electrician and/or the Associate Director of Residence Life-Facilities. These building walk-throughs educate on the functionality of the sprinkler systems and fire alarm display panels. During floor meetings that occur the first week of each semester, the Resident Assistant explains fire safety policies and evacuation procedures. In addition, each building completes a fire drill once per semester to provide an opportunity for the residents to practice an evacuation.

**Future Residence Life Fire Safety Improvements**
In the future, Residence Life plans to work with Facilities Services to put the remainder of the residence halls into the CAD system in order to have professional CAD evacuation maps in Jesse, Aber, and Knowles.

### 5. Description of Fire Safety Systems

</tr>
</tbody>
</table>
In addition to the safety equipment listed in the table above, all UM residence hall buildings floor/wing doors are connected to the fire alarm system. When the fire alarm is activated, the doors shut to help control the potential spread of fire and smoke. Passenger elevators are also connected to the fire system so they do not operate when the alarm is activated.

6. Fire Statistics
The fire log is maintained by the Residence Life Office and is available upon request. If you would like to see the current fire log, contact the Residence Life Office at (406) 243-2611 or visit 101 Turner Hall.

Definition of a Fire
For the purposes of fire safety reporting, the Higher Education Act of 2008 defines a fire as any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner. The Department of Education (ED) 2011 "Handbook for Campus Safety and Security Reporting" has clarified fires to not include incidents where "there is no open flame or other burning."

*1. Residence Halls do not have physical addresses. Both mail and emergency response respond based on the building name.

*2. Full Sprinkler System is defined as having sprinklers in both the common areas and individual rooms.
