Cabinet Meeting Minutes

Wednesday, July 24, 2019 | 9:00-10:00 a.m. | UH 004

UM Minute
- Bond offering preview:
  o Revenue shows good trend
  o Outlook is positive
- UM scored well on UMHM grant.
- ASUM childcare in McGill Hall is looking great thus far.
  o Asbestos protocol for entire campus is being developed and will be rolled out in the near future.

Minutes Approval
- Change heading from “Agenda” to “Minutes.” Approved with this change.

CPRG Update (Paula Short)
- Review of EMS event spreadsheet
- EMS will be rolled out to entire campus to capture all events
- All classes will be captured in Coursedog and events will be captured in EMS

Priority for Action #1 (Handout from Sarah Swager, Updates from Cathy Cole)
- Starfish will continue for early alert.
- Will be moving to EAB for advising support system and student success.
- Need to encourage faculty involvement to get participation numbers into the nineties

Priority for Action #2 (Scott Whittenburg)
- Update will be given at a future meeting.

Priority for Action #3 (Handout from Kelly Webster, Update from Alicia Arant)
- Final candidate for the Tribal College Outreach Specialist is on campus
- Positive progress is being made on the S.E.A. Change initiative.
  o Outreach is being done through blog and podcast efforts via the A New Angle podcast
• The Office of Equal Opportunity and Affirmative Action received the report from the outside consultants. UM is in-line with most institutional best practices. EO/AA team is working to communicate this more effectively.
• Working to identify people to conduct professional development trainings, make calendar and identify what is needed.

Public Comment
• There were no public comments.
