

To UM Faculty,

The Office of the Provost has agreed, at the request of the UFA and the MCFA, to make it optional for faculty to submit university-sponsored course evaluation reports from Blue and Qualtrics for the 2022-2023 academic year. This decision was made due to low student participation both semesters and challenges in implementing the new Qualtrics system. Faculty members are encouraged to address this in their IPR and use alternative methods to demonstrate their teaching effectiveness available in Unit Standards. This aligns with the previous agreement to suspend course evaluations due to the pandemic in the Spring of 2020.

Course evaluation dashboards for Fall 2020-Fall 2022 can be found here: <https://umt.bluera.com/umt>

Course evaluation dashboards for Spring and Summer 2023 can be found here: <https://umtvpaa.qualtrics.com/login>

Guidance for SEC, FEC, chairs and Deans regarding how this impacts the evaluation process will be forthcoming.

For assistance with evaluation dashboards please contact your department course evaluation administrator or email course.evaluations@mso.umt.edu.

Thank you,

Office of the provost

This message was sent by the Office of the Provost to all UM faculty.
