

Dear Students,

Last Friday, you should have received an email containing your personalized link to the course feedback survey(s) for your University of Montana courses. If you haven't had a chance to check it out, now's the time to make your voice heard!

Important Details:

- The email was sent from: um@qualtrics-survey.com.
- The subject of the email is: "UM Needs Your Feedback: Course Evaluation Begins Today." All your courses that are being evaluated will be accessed from this email link.
- Only courses with participating instructors are included.
- For courses with multiple instructors, you'll see a single option with both names listed separately (e.g., WRIT101 Teacher One, Teacher Two).

Survey Overview:

- Each course has a standard feedback survey with a "Moodle Participation Code" at the end.
- Some instructors may have added extra questions on separate pages after the main survey. It may take up to 3 seconds for these pages to load.
- The survey is complete when you reach the final confirmation page.

Privacy and Timing:

- Constructive, respectful feedback is expected.
- All responses are anonymous for course evaluation purposes.
- Your participation won't affect your final grade.
- The survey closes on Tuesday, December 19.

If you encounter any issues or have questions, please don't hesitate to reach out to course.evaluations@mso.umt.edu.

Thank you for your valuable feedback!

Thank you,

Office of the Provost
