- Start Time
Cyberbear Registration

- End Time
- Schedule Type
- Course Number Range
- College

Subject allows multiple selections (begin typing subject or scroll on the right)

Subject field allows you to type in partial name, subject abbreviation, or simply to click on the name to select

Course Number if you know your course number or use a WILDCARD % before and after the number

*Note: Type in the entire course number, including any letters for general education designators, or use % as a wildcard character before and after the number to search for specific courses

Title you can enter the full or partial title to find your course. Any title with the word will be displayed in the results (ie; Rock returns courses History of Rock and Roll, Introduction to Rock Climbing, etc)

Course Location allows you to find courses on each campus, Main UM campus, Missoula college, Distance Learning offered at each and English Language

Filter by courses offered through the Mountain Campus (UM-Msla), Missoula College, Distance Learning (online) at either campus, or the English Language Institute
Cyberbear Registration
