HONORARY DEGREE RECIPIENT OF HUMANE LETTERS

EMMA B. LOMMASSON

Born in 1911, Emma Lommasson was raised in Sand Coulee, Montana. Despite having to learn English upon starting school (her first language was Italian), Emma graduated from Centerville High School as the valedictorian of her class.

Emma Lommasson's tenure at the University of Montana began in 1929 when she moved to Missoula to enroll as an undergraduate student. Earning a bachelor's degree in Mathematics in 1933 (with a minor in Chemistry), Emma left UM briefly to teach before returning to earn her master's in Mathematics in 1939. Upon completing her M.A., Emma began her legendary career at UM.

Originally serving as an instructor in the Department of Mathematics, Emma also taught Navigation and Civil Air Regulations during World War II to prepare students for service in the U.S. Air Force. Emma was appointed as UM's first Veterans Advisor and the Assistant Registrar following the war, while also serving as the advisor to the Air Force ROTC Angel Flight for 17 years. Prior to her retirement in 1977, Emma served as the first female Acting/Interim Registrar at UM. As a retiree, she continued to volunteer as a part-time advisor for another decade, and as an informal academic advisor for years after that.

Emma Lommasson's dedication to UM and its students led to UM naming a building in her honor in 2002. She also received numerous UM awards during her lifetime (Faculty Senate Award, Distinguished Alumni Award, the Robert T. Pantzer Presidential Humanitarian Award and the Outstanding Volunteer Award). Emma Lommasson passed away at the age of 107 in 2019. Emma Lommasson's honorary doctorate is awarded posthumously. Richard DeJana will accept it here today on behalf of the Lommasson family.

COMMENCEMENT SPEAKER

AMY FRANCES CAPOLUPO

Amy Capolupo is a licensed clinical social worker and serves as the University of Montana's Director of Office of Disability Equity. She is also the Director of UM's Montana 10 Program.

Amy grew up in Rockland County, New York, and graduated from the University of Montana with an undergraduate degree in psychology in 2000. After a brief stint in the Peace Corps in West Africa, Amy returned to UM to earn her master's degree in social work in 2005. She has worked in community case management positions, performed crisis intervention, and supervised numerous clinical and non-clinical interns and graduate students.

In her 20-year career at UM, Amy and her office have supported more than 25,000 students. Amy credits her personal and professional success to those educators and support professionals who provided her with a chance to achieve. In return, Amy has dedicated her career to supporting students and those around her to do the same.

Amy is proud of our graduates and wants them to know that UM is here for them.
