

New Course Number Translation Guide

The Montana Board of Regents of Higher Education has instituted a system-wide common course numbering policy to allow students to easily assess the transferability of classes from one Montana University System institution to another. These pages provide a listing of University of Montana courses showing both the old and new course numbers.

An up to date version of The University of Montana's New Course Number Translation Guides is available online at:
<http://www.umt.edu/AcademicPlanner/courses/CourseNumbering>

NON HIGHLIGHTED COURSES WERE CONVERTED AUTUMN 2009
HIGHLIGHTED COURSES WERE CONVERTED AUTUMN 2010

The University of
Montana
