CyberBear Registration Error Messages

The Cyberbear registration system will alert a student when a course request is denied. The following are Cyberbear error messages.

**Campus Restriction**
Students are admitted to specific campuses depending on if they are taking face-to-face classes or enrolled as a Distance Learning student. You must take courses offered within your campus. This error message cannot be overridden without the student switching the campus in which they were admitted. Please [use this link to complete this action](#). Changing from Distance Learning (online) student to a face-to-face student will result in an increase of tuition and fees.

**C/I Required on Override**
Consent of the instructor is required for this course. Students must have instructor’s signature on an [Override form](#). Not all overrides are approved. This restriction is put on by the instructor.

**Class Restriction**
The course is restricted to students of a certain class standing to (i.e., Open to class level of senior). Students may get an [Override form](#) signed by the instructor, although an instructor’s permission to override is never guaranteed.

**College Restriction**
Students are enrolled through a specific college (i.e., UM-Msla, Missoula College) and the class you are trying to add is not under your college. Both Missoula College students and UM-Msla (Mountain Campus) students must utilize the [College Restriction Override form](#), signed by the instructor and advisor. Please note that not all overrides are approved.

**Closed Section**
The course is full. A student may obtain an [Override form](#) signed by the instructor. Not all overrides are approved.

**Closed- Waitlisted**
The course is full and the student has the ability to add themselves to the waitlist. Classes that have a waitlist cannot be overridden with an instructor's signature on an override form.

**Consent of Honors Required or Cohort Restriction**
Students must obtain consent from the Honors College or the instructor in the form of a signature on an Override form. Please visit the Honors College Administrative desk. Not all overrides are approved.

**Course is Not Available for Registration at this Time**
It is past the deadline to add or drop courses, the course has been cancelled, or administrative Cyberbear maintenance is taking place.

**Duplicate Section**
Student has already successfully added this particular course and section to their registration.

**Field of Study Restriction- (Major or Minor)**
This course is restricted to only students in a certain major or minor (e.g., open to only Art majors). Students may get an Override form signed by the instructor, although not all overrides are approved.

**You Cannot Drop Your Last Class**
Students must contact personnel at the Registration Counter in Griz Central to drop their last class. The system assumes that if a student is dropping their last class they are withdrawing from the term. Withdrawal paperwork is administered at Registration Counter in Griz Central.

**Level Restriction**
The course is only open to a certain level (e.g., Graduate Students Only). Levels are coded as: Level 01 = Undergraduate; Level 02 = Graduate; Level 03 = Law.

**Linked Course Required**
This course has a co-requisite section linked to a primary section. The primary section is typically the larger, common lecture and the co-linked section is either a smaller lab or discussion section. For example, BIOL 221, section 1 carries 4 credits. The student must select Section 1 and also select one of Sections 2 – 5 which carry no credits. When registering, the student must register for the primary section and the linked section at the same time.

**Linked Courses Must All Be Dropped**
When dropping linked courses, students must drop the lecture and the linked section (recitation, lab, or discussion) at the same time.

**Time Conflict with (CRN)**
Two classes overlap in their meeting time.

**You Are Not Permitted To Register at This Time**
The student’s registration time is not yet available due to class restriction or alphabetical grouping. Check also to make sure that the student clicked on the
appropriate term, as students occasionally incorrectly select the Law Semester from the pull down menu.

**You Require Re-Admissions Prior To Registration**
Student needs to be readmitted to UM after being absent for two or more years or term selection is not correct.

**Your Student Status Prohibits Registration**
The student is on Academic Suspension. They will need to be reinstated, to do so you will need to contact your advisor.

**Another Registration Session is in Progress for this ID & Term. Try Again Later**
Someone else is viewing your registration. Most commonly it is your advisor or an employee of the Registration Counter.

**Override Slip Required with Consent**
The course instructor is controlling enrollment in this class. Students may get an Override form signed by the instructor, but overrides are not guaranteed.

**Maximum Hours Exceeded**
An undergraduate student is trying to register for more than 21 credits. Student may choose to drop a course or override the maximum hours with a “Maximum Credit Override” form signed by their academic advisor. Not all Maximum Credit Overrides are approved.

**Invalid Advising Number**
A new advising number is generated for active undergrad students each semester during the academic year (except for summer) which is why students need to see their advisors at least once during autumn and spring semesters.

**There is a hold on your account**
There are a variety of reasons for this error message. Some of the more common reasons are: missing or incomplete medical history form; missing SAT or ACT scores; financial aid repayment; Behavioral Health Options program participation; Dean of Students hold; Residence Life hold; Financial Aid holds; Graduate School hold; missing transcripts (Enrollment Services). Students should contact the appropriate office to lift the hold.
