To whom it may concern,

This letter is to inform you that The University of Montana has contracted with the National Student Clearinghouse for the purpose of providing better service to you and our students. It is our pleasure to inform you that the attached enrollment verification from the National Student Clearinghouse (the seal will show in the background) is congruent with current university records and is to be accepted as a legitimate record of attendance for the terms listed. If you have any questions please contact the Registrar’s Office Verifications Desk at (406) 243-6566.

This information is certified to be true and correct in accordance with university policy and records.
