

**INSTITUTIONAL REVIEW BOARD  
THE UNIVERSITY OF MONTANA-MISSOULA**

**INVESTIGATOR TRAINING**

**POLICY:** All investigators conducting research with human subjects shall complete an education course on the protection of human research subjects.

**PROCEDURES:** In order to comply with this policy, all investigators on projects involving human subjects will complete the self-administered NIH training courses, which is available on the UM IRB web site. Each investigator on the project will certify that they have completed the course by signing at the appropriate location on the checklist (Form RA-108)
