

The University of Montana Office of Career Services surveyed all summer 2007 through spring 2008 graduates of bachelor's, master's, doctoral, and College of Technology programs. The purpose of this survey is to provide employment information for prospective and currently enrolled students.

Information was collected by survey mailings and follow-up phone calls throughout the academic year. Additional information was obtained directly from the departments from which the recipients graduated.

Survey summary data is derived from 1470 respondents, 54% of the 2717 University of Montana graduates.

Note: Not all respondents answered all the questions. Statistics are therefore based on reduced numbers.

### **Total Employment 84%**

- ❖ 84% of College of Technology graduates
- ❖ 81% of bachelor's degree graduates
- ❖ 87% of master's degree graduates
- ❖ 90% of the doctoral degree graduates (including Juris Doctorates)

### **Employment in Montana: 61%**

- ❖ 82% of College of Technology graduates
- ❖ 54% of bachelor's degree graduates
- ❖ 64% of master's degree graduates
- ❖ 65% of the doctoral degree graduates (including Juris Doctorates)

### **Further Education: 14%**

- ❖ 15% of College of Technology graduates
- ❖ 17% of bachelor's degree graduates
- ❖ 11% of master's degree graduates
- ❖ 8% of the doctoral degree graduates (including Juris Doctorates)
