Title, Centered, 14 pt. font, Bold

First Last\textsuperscript{1}, Presenting Author\textsuperscript{2}, Subsequent Authors\textsuperscript{1}

Abstract

250 word maximum abstract, can be modified from original submission to better summarize final paper but the topic should not be substantially altered.

Body of Paper

Arial 12 point font, single spaced, 1” margins, 7 page maximum including all citations, tables, and figures. Follow style conventions for the Journal of Forestry (http://safnet.org/publications/jof/guideforauthors.cfm) with all tables and figures placed in the body of the paper after initial reference in the text. Colored graphics are acceptable but should be meaningful when printed in black and white.
