**PARKING:** You will be given a parking permit when you arrive at the course. If you drive, please park in an area with a sign stating “University Parking Permit Required”. The permit is not valid in “hourly parking”, “Reserved” or “Quick Stop 20 Minute Parking”. If you have a government vehicle and park in the areas labeled “University Parking Permit Required”, you don’t need a parking pass! Go to [http://www.umt.edu/ce/fire/information.aspx](http://www.umt.edu/ce/fire/information.aspx) for a campus map.

If possible, you should wear clothing suitable for deploying a fire shelter on the ground including boots, hardhat, gloves, etc. We will do this after lunch, so please plan accordingly.

If you need to cancel out of the course, I need to be contacted as soon as possible. There is still room in class, so please spread the word to your co-workers.
