

## Bus Route To and From Lewis & Clark Transfer Center and Dornblaser Field/Campbell Park

The U-DASH Red Line runs every 8 – 15 minutes with no set time of arrivals and departures. If you are riding from the Lewis & Clark Transfer Center or Dornblaser Field, be at the stop ready to get on the bus no later than 35 minutes before your MOLLI course begins. The circles denote bus stops. The highlighted circle is the closest bus stop to the Todd Building. The stop is called University Center on maps and the mobile tracker.
