

**Mandatory Prevention Education Programs for All New Students and Continuing Juniors
Fall 2018**

We are so glad to have you here with us at the University of Montana for Fall 2018! As a learning community, we strongly value creating and sustaining a healthy campus environment and preparing our students to be responsible and successful citizens of our campus, society, and the global community. Our staff, faculty, and students are dedicated to working together to make this commitment a reality.

UM requires four prevention education programs for new students and one for continuing juniors. “New students” includes new freshmen and transfer students.

The specific program(s) you will need to complete depend on your class status and whether you are new to UM or a continuing student. See the table below for your exact requirements.
