399 degrees were awarded in summer 2019.

23% of spring 2019 students also enrolled in summer 2019.

The federal government now permits students to use Pell Grants in the summer. The number of students receiving Pell tripled in 2018.

There was a 35% increase in online general education courses offered at UM from summer 2018 to summer 2019.
STAY ON TRACK
Earn enough credits through summer enrollment to remain ahead and on schedule for graduation.

SMALLER CLASS SIZES
Summer class average size is 13, smaller than both fall and spring semesters.

VARIETY OF COURSES OFFERED
General education, individualized instructions and major-specific courses for both undergraduate and graduate students.

FLEXIBILITY OF COURSES
Students have a choice from seven different summer sessions:
- (1) 12-week
- (2) six-week sessions
- (4) three-week sessions

TRANSFORMATIONAL LEARNING OPPORTUNITIES
Field and lab research, service-learning, independent studies, study abroad trips, internship experiences and excursions for credit in and around Montana.

MONTANA SUMMER
Take classes and still have time to enjoy Montana in the summer.

ONLINE CLASSES
Online classes are available at the possibility of a discounted rate.

NATIONAL STUDENT EXCHANGE
Students from 35 out-of-state institutions can pay UM in-state tuition for summer through the National Student Exchange.
