Turn in this exercise along with your application, resumé and references.

The Director is the catalyst for an active programming staff and agenda. The Director is a resource for ideas and concerns for all facets of UM Productions efforts. The Director is the link between the ASUM administration and the UM Productions office.

How would you go about creating a cohesive team? Be specific.

The Director position requires 15 office hours per week.

How would you spend your time in the office?

How would you keep the momentum going during slow times?

Forming positive, long-term relationships is vital in the entertainment industry. How would you nurture relationships both present and past?

Part 2:

If you could bring any artist/group to Missoula who would it be?

How much would you pay for this artist/group?

What venue would you bring them to?

How many tickets do you think the show would sell?

Please list any resources you used to determine your answers above.

Good luck!
