

The UM students listed below are non-Montana residents who made the spring semester 2016 Dean's List. Double asterisks after a name indicate the student earned a GPA of 4.0. A single asterisk indicates a GPA greater than 3.5 but less than 4.0. **Note:** The University is prohibited from publishing graduation and Dean's List information about students who signed the Student Request to Restrict Release of Directory Information form through the Registrar's Office. Also, some students may appear on the in-state list under Missoula if the Registrar has a local address on file. If your name is not included on either list and you believe it should be, please call 406-243-5478.
