

The UM students listed below are non-Montana residents who made the fall semester 2016 Dean's List and President's 4.0 List. Double asterisks after a name indicate the student earned a GPA of 4.0. A single asterisk indicates a GPA greater than 3.5 but less than 4.0.

**EDITOR'S NOTE: Note: The University is prohibited from publishing Dean's List information about students who signed the Student Request to Restrict Release of Directory Information form through the Registrar's Office. Also, some students may appear on the in-state list under "Missoula" instead of their hometown if the Registrar has a Missoula address on file. Similarly, some non-Montana residents below have a Missoula listed as their city instead of their hometown. If your name is not included on either list and you believe it should be, please call 406-243-5478.**
